

**Date: 7-12-2021**

Dear Sir / Madam,

Greetings from Manipal University Jaipur (MUJ). Hope the mail finds you and your family members in good health!

The university COVID-19 committee has reassessed the COVID-19 situation in the state. Having analyzed all the pros and cons in depth, the committee has reached at a unanimous decision that COVID-19 scenario especially with threat of Omicron variant spread is worrisome.

Also, with reference to letter from Department of Health and Family Welfare, Government of India, dated 27<sup>th</sup> Nov 2021 and advisory note from Home Department, Government of Rajasthan, it has also been appreciated by the committee that this uncertainty is likely to cause undue pressure on the students and may have compounding effect on the wellbeing of the students and MUJ staff.

Hence, considering the safety of everyone in the prevailing state of COVID'19 in Rajasthan, the university has decided to continue the remaining academic process for the odd Semester 2021-22 in the online mode including Lab Classes (if any) from Monday 13/12/2021.

The End term Theory Examination for higher semester will be conducted online from 15<sup>th</sup> December - 24<sup>th</sup> December 2021. This would ensure timely completion of the various academic processes for final years students so that they proceed for internships / join in time for the jobs offers.

We urge everyone to adhere to COVID protocols and follow safety guidelines issued by Government and informed to you by our earlier communication.

S/d
