MANIPAL UNIVERSITY
JAIPUR

(University under Section 2(f) of the UGC Act)

NATIONAL SYMPOSIUM

EcoViSun 2024

(ECOLOGICAL, VIABLE & SUSTAINABLE)

**ADVANCING SUSTAINABILITY,
PROMOTING INNOVATION,
REALIZING EQUITY (ASPIRE)**

on

March 05-06, 2024

Supported by

**DST-PURSE
Govt. of India**

Jointly Organized by

**Department of Chemistry,
Department of Biosciences,
Department of Biotechnology &
Chemical Engineering**

**Manipal University Jaipur
Rajasthan, India**

Focus Area

- Circular economy in agriculture
- Climate-smart agriculture
- Integrative waste management
- Nanotechnology for production, remediation, and recovery
- Eco-friendly and sustainable processes
- Carbon sequestration
- Sustainable soil and water management
- Microbial waste degradation
- Engineered bio-catalyst
- Bioenergy from agriculture waste
- Thermo-chemical conversion of waste
- Advancements in biochar, biofuels, & and bio-chemicals
- Remote sensing in the agriculture sector
- Other relevant areas

Activities

- Keynote Sessions
- Panel Discussion
- Poster Presentation

Abstract Submission

At the symposium participants will present posters showcasing their research work. The abstracts of proposed papers and innovative ideas related to the theme (not exceeding 250 words) must be submitted via email (ecovisun2024@gmail.com) by February 20, 2024. Abstracts should indicate the topic to be addressed

About DST PURSE

The "Promotion of University Research and Scientific Excellence (PURSE)" is a flagship program by the Department of Science and Technology, India since 2009, exclusively for universities. Its main goal is to enhance research capacity in Indian universities, nurture the research ecosystem, and strengthen the R&D base. Manipal University Jaipur (MUJ) has secured a grant of Rs. 10 Crores under PURSE for a multi-disciplinary project. The funds will support research aimed to develop high-value products from waste resources, and implementing a circular solution for both agricultural and non-agricultural applications while promoting sustainability and scientific excellence.

About Symposium

Manipal University Jaipur is organizing a two-day National Symposium "EcoViSun-2024-ASPIRE" on March 5-6, supported by DST- PURSE & and jointly organized by the Department of Chemistry, Biosciences, and Biotechnology and Chemical Engineering. The symposium aims to explore trends in sustainability and innovation in research, technologies, and novel approaches that support global environment protection while promoting equality. The event seeks to encourage partnership, idea sharing, and contribution to creating a sustainable, creative, fair, and equitable environment.

About Jaipur

Jaipur, the "Pink City" of Rajasthan, seamlessly blends rich history with modern charm. Iconic landmarks like Hawa Mahal and Amber Fort showcase stunning Rajput architecture. Explore vibrant bazaars for handicrafts and jewelry, savoring local cuisine along the way. Jaipur is a delightful mix of tradition and modernity, offering a captivating and unforgettable experience.

About Manipal University Jaipur

Manipal Group in the field of education is widely recognized not only in India but globally. The remarkable journey of its growth commenced in 1953, initiated by the late Padma Shree Dr. TMA Pai. Manipal University Jaipur, established in 2011, is the fifth university under the Manipal Global Education Services (MAGE), a prominent international provider of high-quality higher education services. Notably, Manipal University Jaipur achieved the distinction of being the first university in Rajasthan to receive an A+ (3.28) score grade accreditation from NAAC. The university aspires to be a "Global Leader in Higher Education and Human Development." Offering a diverse range of career-oriented programs in Engineering, Sciences, Management, Law, Arts, Design, Commerce, and Journalism, MUJ upholds the legacy of Manipal groups in delivering top-notch quality education.
