Introduction of the Event

The Fishbowl Experience was started by TMC during the first lockdown of the CoVID-19 breakout. It is an event where a performer, a member of our club, is given access to our Instagram account, using which, they go live and perform a set of 7-8 songs for the audience.

Objective of the Event

- The main purpose of this event was to keep the members of TMC, and other students at our university on their toes about how TMC gives out performances.
- We plan on continuing this for as long as we can as the university is still operating in hybrid mode and there are still a lot of people who are not yet back in college.

Beneficiaries of the Event

- Students

Brief Description of the event

The Fishbowl Experience is an online event of TMC's where a member of our club goes live from our Instagram account to perform a set of 7 to 8 songs for the audience.

For this edition, we had Shamik Kotian, a final year IT student from our club. Having had performed for the club over the years, this last semester was very important to him as he was giving his last few performances in the club. He performed a set of 9 songs which were:

Tum Mile

Pee Loon

Dil Ibadat

Take Me To Church

Let Me Down Slowly

Khone Laga

Alvida

Bheegi Bheegi

O Meri Jaan

Students and communities and all the people related to the field of law and technology are and will be the beneficiary for event like an podcast on by an student- PRISONER’S FUNDAMENTAL RIGHTS

3. Brief Description of the event

CYBER STALKING by Sheetal Sharma (BA LL.B) 3rd semester

"Cyber stalking" is characterized as a wrongdoing where the stalkers use web or some other electronic gadget to follow somebody. On the web badgering and online maltreatment are interchangeably utilized for digital following. It includes a lead of hassling or undermining more than once to a person. The Cyber stalkers consistently feel that they're mysterious and can stow away. At the end of the day, the digital stalker's greatest strength is that they can depend upon the anonymity which web gives to them that permits them to keep a beware of the exercises of their casualty without their character being recognized. Hence, there is a need of effective digital devices to research digital violations and to be ready to shield against them and to deal with casualties.

There are different mental purposes for following like serious narcissism, scorn, rage, revenge, envy, fixation, mental brokenness, force and control, sadomasochistic dreams, sexual abeyance, web enslavement or strict devotion. Some of them are discussed below:

· Jealousy: Jealousy can be a solid thought process behind following particularly when it is towards ex-accomplices and their current accomplices.

· Obsession and attraction: Another thought process behind following could be fixation and fascination. The stalker could be drawn to casualty physically or intellectually. There's a barely recognizable difference among adoration and following.

· Erotomania: It is a sort of confidence where the stalker expects that the person in question, generally a more odd or renowned personal, is infatuated with him. It generally includes sexual tendency towards somebody.

· Sexual harassment: It is supposed to be the principle thought process behind digital following. This is so in light of the fact that the web mirrors the reality.

· Revenge and hate: Sometimes the casualty isn't justification for the sensation of contempt and retribution in the psyche of the stalker however he/she turns into the goal of the stalker. Web seems, by all accounts, to be the most helpful stage for the stalker to communicate his sensation of scorn and vengeance.

PUNISHMENTS

Area 354A of IPC rebuffs offense of inappropriate behavior with 3 years of detainment and additionally fine.

Area 354C condemns the offense of Voyeurism. It is characterized as the demonstration of catching the picture of a woman taking part in a private demonstration, or potentially scattering said picture, without her assent. The segment recommends 3 years of detainment for the main conviction and 7 years of detainment on second conviction along fine.

Area 503 rebuffs criminal terrorizing as dangers made to any person with injury to her standing, either to make caution her, or to roll out her improvement her strategy in regards to anything she would somehow or another do/not do. The offenses under S. 499 and S. 503 are culpable with detainment which might stretch out to two years, or potentially fine.

Area 509 of IPC acts the hero in case somebody is continually messing with you with disdainful obnoxious attack due to your sex. The part gives that any person who articulates any word or makes any solid or signal, proposing that such word, sound or motion be heard or seen by a woman and affront her humility, will be rebuffed with one-year detainment or potentially fine.

Area 507 rebuffs criminal terrorizing by a mysterious correspondence with a term which might reach out to two years of detainment. Wrathful posting of pictures or recordings

of assault casualties is culpable with
detainment which might stretch out to two years and fine under area 228a of IPC.

Standards Awareness Program

11 November 2021

Event Report

Establishment of the very 1st Standards Club of Rajasthan State at Manipal University Jaipur

by

Bureau of Indian Standards (BIS)

Title: Standards Awareness Program

Date: 11 November 2021 (World Quality Day)

Venue: 307, 2AB

Conference Organisers: Standards Club MUJ-BIS, Department of Computer Applications, MUJ

Core Committee of the Club:

Faculty Mentor: Dr. Devershi Pallavi Bhatt

President: Madhubala Dhankar, Department of Computer Applications

Vice President: Nandish Parashar, Department of Computer Applications

Secretary: Devanshi Ledwani, Department of CCE

Secretary: Umang Pathak, Department of Computer Applications

Joint Secretary: Vaibhav Kumar, Department of Computer Applications

Treasurer: Vedit Malviya, Department of Computer Applications

1. Introduction of the Event: Establishment of the very 1st Standards Club of Rajasthan State at Manipal University Jaipur by Bureau of Indian Standards on World Quality Day, November 11, 2021.
2. Objective of the Event: The Standards Club's idea is initiated by Bureau of Indian Standards, which carried out a variety of programmes involving students, providing them opportunities for creativity on the themes of quality and standardization. BIS provided financial support for activities. The benefit of the event conducted by Standards Clubs in educational institutions are to help improving the learning experience of students and provide opportunities to better their professional and personal growth.
3. Beneficiaries of the Event: Students of MUJ and outside, faculty members, merchants and consumers. It helps the community in improving the standards of living for a common citizen of the republic of India.
4. Details of the Guests: The chief guest of the event was **Smt. Kanika Kalia, Scientist E and Head BIS**.

5. Brief Description of the event: The event started with floral welcome and felicitation of the guest followed by the moderator and **President-Standards Club: Madhubala Dhankar**, then the address of **Faculty Mentor-Standards Club: Dr. Devershi Pallavi Bhatt** who shared the concept of opening the Standards Club in MUJ, then **President, MUJ: Dr. G.K Prabhu** shared his valuable experiences and given the very relevant examples of standards we come across in our daily lives without even knowing them and motivated the participants with the invaluable knowledge. Then the **Chief Guest: Smt. Kanika Kalia, Head, BIS Jaipur** have highlighted the importance of the Standards and Quality for the students and shared a wonderful presentation for the better understanding of BIS standards and its process. The vote of thanks was extended by **Secretary-Standards Club Devanshi Ledwani**. There was a surprise skit on Standards by Cinefilia Club-MUJ, the event was covered by Aperture club-MUJ.

1. Introduction of the Event:

This Children's Day, Coreografia aims to enable its members to relive their childhood memories of dancing. And reminisce the songs that motivated them to take up dancing as a passion and hobby.

2. Objective of the Event:

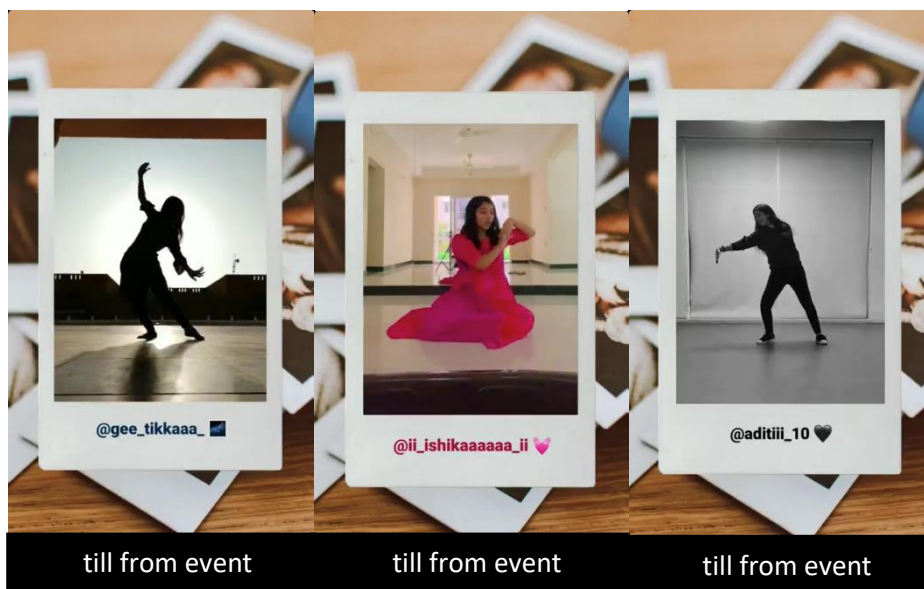

- To celebrate Children's Day despite the current Pandemic situation.
- To reconnect with one's childhood.

3. Beneficiaries of the Event: The event is open for the Students of Manipal University Jaipur.

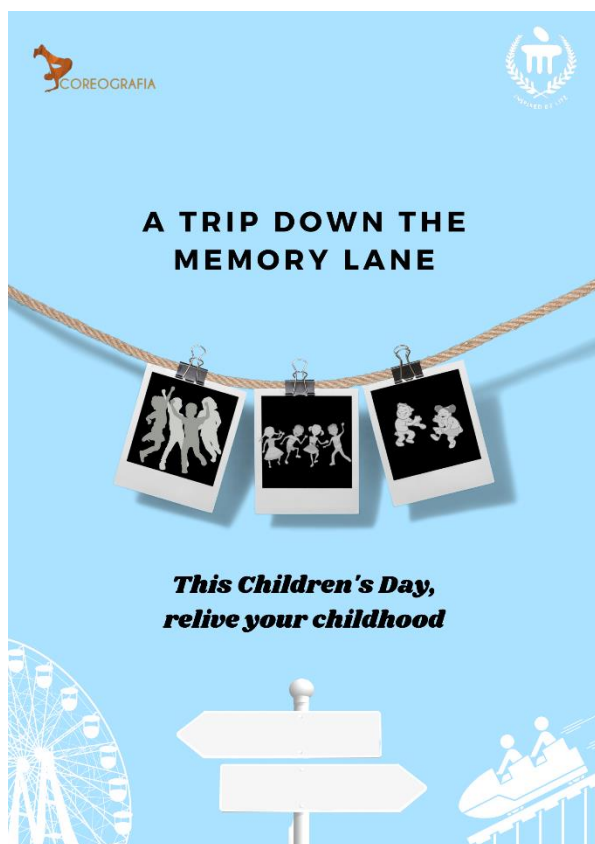

4. Brief Description of the event:

With this Children's Day celebration, Coreografia aims to allow its members to relive their childhood memories of dancing. And reminisce about the songs that inspired them to pursue dancing as a passion and hobby. The members of the club may send in videos of them dancing to their favorite childhood tunes for a duration of 10 - 15 seconds which will be featured on the Club's Instagram page. The event promotes a sense of nostalgia and connects fellow club members with their childhood.

1. Introduction of the Event

Aperture- the Digital Arts Society feels immense pleasure in bringing “Getting Started with Photography”. The theme for the photography workshop is Portrait of Indian Culture. This workshop is meant to help new photographers and brush up for people who already do photography.

2. Objective of the Event

The objective of this event was to:

- Teach basic key concepts of photography like ISO control, Aperture Control, Shutter Speed, EV Steps, Lenses for Portrait photography and more.
- Have hands on photography experiences.

3. Beneficiaries of the Event

The event included the participation of only our club members that is 2nd and 3rd year students.

4. Brief Description of the event

Aperture- the Digital Arts Society successfully conducted a workshop, “Getting Started with Photography” for the Working Team Members of its club on 16th November, 2021 in the open Amphitheatre, MUJ campus.

This workshop focused on the theme “Portrait of Indian Culture”. It was an introduction to basic camera concepts such as ISO Control, Aperture Control, Shutter Speed, EV Steps, and Lenses for portrait photography.

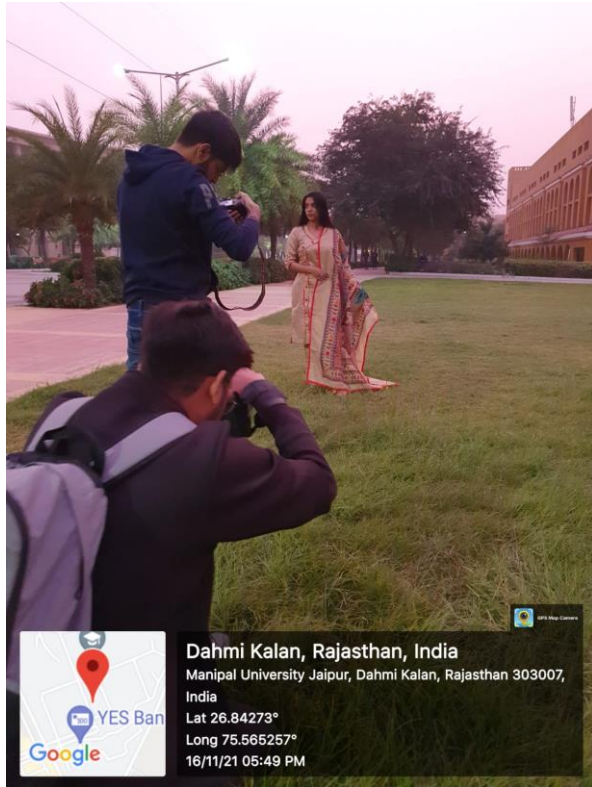

It was a single day event. We formed 3 teams, each headed by 1 core member who was responsible for providing guidance. Each team had to photograph a model from the working team itself. They had twelve hours to submit two edited and finalized photographs.

Overall it was a great photography workshop that promoted hands-on learning experiences.

7.	Attendance of the Event	6
8.	Feedback of the Event	8

1. Introduction of the Event

A two day shoot was conducted within the club to make the unofficial unveiling video for the freshers to enjoy. The shoot was conducted in an organized manner, following COVID safety protocols. The final video was then uploaded on Cinefilia's Instagram page, to reach the maximum audience.

2. Objectives of the Event

- Introducing students from all years to Cinefilia.
- Showing the functioning of Cinefilia in a lighter sense
- Building the sense of teamwork and trust among the participating students.
- Learning about the art of filmmaking.

3. Beneficiaries of the Event

- Students
- Faculty

4. Brief Description of the event

The shoot was held in Academic Block – 1 from 16th November to 17th November 2021. Around 25-30 club members were involved in the shoot, alongside three cameramen from Aperture, the digital arts society.

The main objective of making the shortfilm was to promote Cinefilia among freshers, so that they get to know about the workings of the club. Club members learnt about acting in front of a camera, and filmmaking.

1. Introduction of the Event

LEXLAWGICAL CLUB is organizing WEEKLY PODCAST EPISODE 30 ,2021 in which we invited all the students of Manipal University Jaipur take part to learn or incubate skills like designing, legal knowledge etc. and the theme for this will be “socio- legal –“EUTHANASIA” and be part of increasing the awareness in the society.

1. Objective of the Event (bullet points or about 50 words)

The objective of this will be to improve the legal knowledge of the students in a very effective ,different and creative manner

2. Beneficiaries of the Event

Students and communities and all the people related to the field of law and technology are and will be the beneficiary for event like an podcast on by an student- EUTHANSIA

3. Brief Description of the event

EUTHANAISA by KOMAL PAREEK (BA LL.B) 3rd semester

Hello and welcome to the podcast of lexlawgical club. I am Komal Pareek and Here I will be speaking about euthanasia, so when we talk about the word ‘euthanasia’, it is derived from the greek language, where ‘eu’ means ‘good’ and ‘thanotos’ means ‘death’. so the word euthanasia’s literal meaning is ‘good death’. Euthanasia can be defined as an act or an omission where a person is terminated to end his or her intolerable suffering from a disease or condition

which can't be cured. It is also known as mercy killing. It is the last resort for the people with terminal illness as they don't find their life worth living.

It can be further classified on the basis of the consent of the patient and on the method used to end their life. So when we talk about the method, it can be active euthanasia or passive euthanasia. In active euthanasia, a physician is involved where he injects a lethal substance called Sodium Pentothal into the patients body to end their lives whereas in passive euthanasia, the person is detached from the life support mechanism or stop the consumption of food and water which ultimately lead them to their death. And when we classify it on the basis of the consent of the patient it can be voluntary, involuntary and non-voluntary. So in voluntary euthanasia, the person is competent to take a rational decision for himself and wants to end his life willingly. Therefore, he or she appeals to the concerned authorities to get the permission for the euthanasia. In involuntary euthanasia, the person is competent to make a decision and is terminated against his or her will. And in non-voluntary euthanasia, the person is incompetent to give consent for the euthanasia. So the decision is taken by the family member or the doctor. The consent in non voluntary euthanasia is unavailable because of the Persistent Vegetative State as the patient is in deep state of unconsciousness and cannot move or respond to their environment.

Euthanasia has been a controversial issue all over the world, in countries like Netherland, Colombia, Switzerland, Belgium and in United States of America, it is legal while in countries like Thailand and Mexico, it is illegal. Though procedure of conducting it differ from country to country.

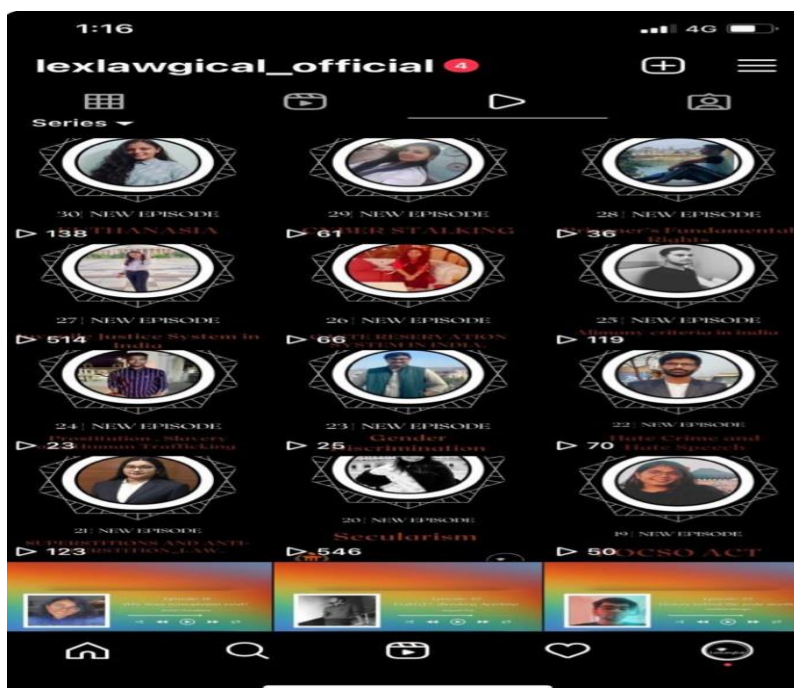

And when we talk about euthanasia in India, it has its own history here, from Hinduism advocating suicide and self liberation and Manusmriti talking about self liberation when suffering from terminal illness to 19th century when Veer

Savarkar and Vinoba Bhave decided to

end their lives by refusing to take nutrition.

In India , euthanasia is undoubtedly illegal , though in landmark case of Aruna Ramchandra Shanbaug v. Union of India, passive euthanasia was made legal with certain guidelines. However, active euthanasia was held to be a criminal offence under section 302 and 304 of IPC and in case of physician assisted suicide (PAS) is punishable under section 306 which deals with the abetment of suicide. Hence, euthanasia is a topic which require thorough analysis in each case under specific circumstances.

1. Introduction of the Event

The ***Zelus*** is a brain child of Faculty of Arts & Law, Manipal University Jaipur. Organized by all the clubs of the law department for the students to enhance their knowledge and empower them.

The **LEXLAWGICAL CLUB** is organizing a workshop on constructional protection and judicial development of environmental law in which we will invite all the students of Manipal University Jaipur and outside of the university take part to learn or incubate skills like designing, legal knowledge etc.

The **CONSUMER PROTECTION CELL** was formed in early 2019 with a view to act as a bridge between victim and remedy, the cell was established under the guidance of renowned advocate of consumer laws -Adv. D.M. Mathur. From the very beginning we received great support from non-law students.

The **HUMAN RIGHTS CELL** began its journey in the year 2019. It helps the students to go beyond all social discriminations and selflessly build a better society through them. Human Rights club makes the students more humane .

The **LEGAL AID CLINIC** was established by the students of Manipal University during the academic year of 2014-2015 for advancement of justice in rural areas with combined efforts of volunteers of Legal Aid Clinic and Rajasthan State Legal Services Authorities, Jaipur and District Legal Services Authorities, Jaipur.

The **ALTERNATIVE DISPUTE RESOLUTION CELL** is a legal and student marshalled society, functioning with the abutment of the Faculty of School of Law. The ADRC is responsible for orchestrating, superintending and facilitating various events and activities, designed in accordance with Alternate Dispute Resolution in a law school.

2. Objectives of the Event

The ***Zelus*** is a two-day event organized with the objective of expanding the vision of justice and the advancement of society through empowerment and encouragement. It has curated events to bring students of different backgrounds to come together with a motive to present, prove and conduct something with common goals. It provides an excellent platform to showcase and develop a multifaceted personality to face the real world. It comprises of some fresh and traditional set of competitions carefully designed for the growth of the mind of a law student in particular, where one's legal skills are to be tested.

3. Beneficiaries of the Event

All the faculties & students are the beneficiaries of this event as it comprises different activities for everyone for their wholesome growth, development and fun.

 DIRECTOR Dr. VIJAY LAXMI SHARMA (school of law)
 ASSISTANT PROFESSOR AMIT YADAV (senior scale)
 ASSISTANT PROFESSOR ARPIT TOTUKA
 ASSISTANT PROFESSOR PARIDHI JAIN
 ASSISTANT PROFESSOR DEEPANKAR SHARMA (senior scale)

2. **GROUP DISCUSSION:** Mrs. PARIDHI JAIN
 Ms. VIBHA BHANDU
 Mr. ARPIT TOTUKA
 Ms. MUKTA JANGIR
3. **CULTURAL EVENING:** DIRECTOR Dr. VIJAY LAXMI SHARMA (school of law)
 ARUN KUMAR POONIA (Assistant Professor (Senior Scale) & Assistant Director, Directorate of Students' Welfare)
 ADVOCATE KHUDAYAR AHMED BEG
 CHIEF SECURITY OFFICER COL. BHASKAR
 ASSISTANT PROFESSOR AMIT YADAV (senior scale)
 ASSISTANT PROFESSOR ARPIT TOTUKA
 ASSISTANT PROFESSOR PARIDHI JAIN
 ASSISTANT PROFESSOR DEEPANKAR SHARMA (senior scale)

5. Brief Description of the event

S.NO.	EVENT NAME	EVENT DESCRIPTION
1.	Consumer Awareness Camp	To create general awareness among the consumers about basic rights and duties.
2.	Charity for Literacy	Donation Drive for children for their bright future to Samarpan Sansthan://www.samarpan sansthan.org/
3.	Workers Awareness Camp	To create general awareness among workers about their Jobs and management and the rights and duties they have.
4.	Painting Competition	To test the creativity and imagination of the students.
5.	Group Discussion	To hold a fruitful discussion for the better awareness and personal development of the participants.
6.	Panel Discussion	A knowledgeable session from the expert faculty to boost learning of the students
7.	Cultural Evening	A fun evening for the participants with some music and dance.

6. Photographs of the event or screenshots of the event

Consumer Awareness Drive/ Donation Drive/ Workers' Awareness Drive

Redecorating the Board: Painting Competition

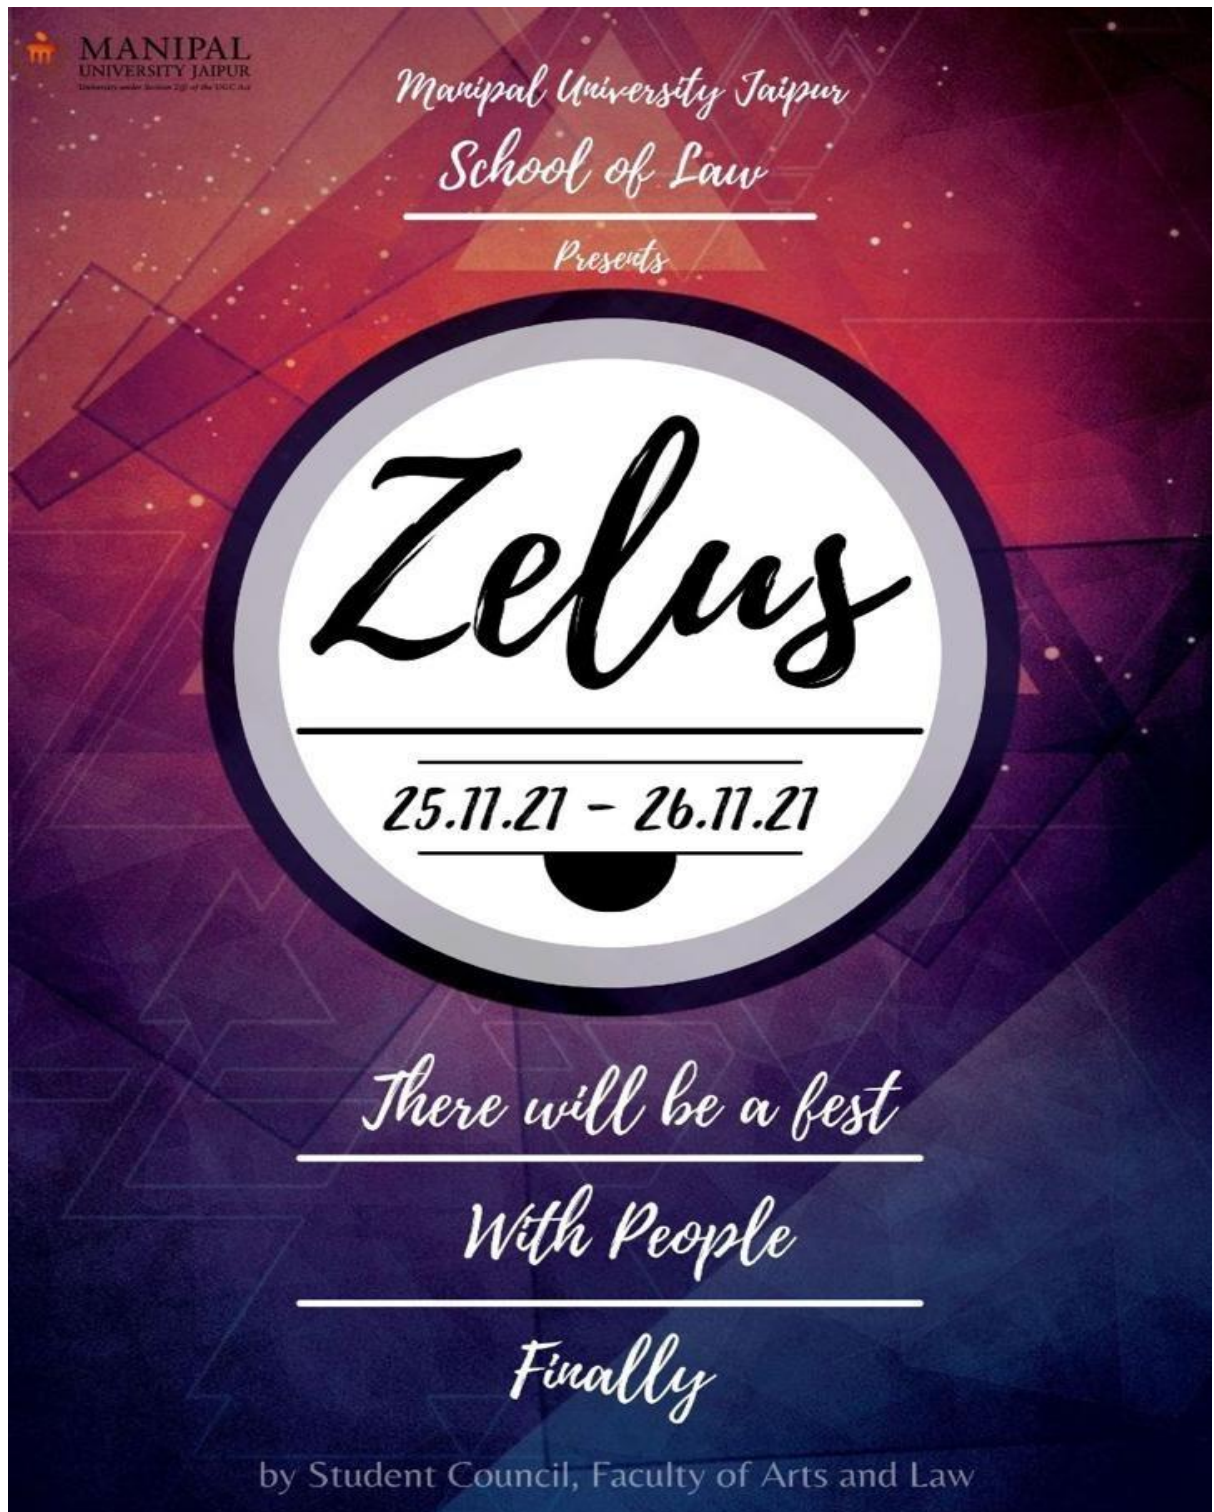

चर्चा: Group Discussion

7. Brochure or creative of the event

8. Schedule of the Event

S.NO.	NAME OF EVENTS	TIME
DATE : 25 TH NOVEMBER 2021		
1.	Consumer Awareness Camp	10am -1 pm
2.	Charity for Literacy	10am - 4 pm
3.	Redecorating the board (Painting Competition)	1pm - 3 pm
4.	Workers Awareness Camp	3pm - 5 pm
DATE : 26 TH NOVEMBER 2021		
5.	Charity for Literacy	10am - 2pm
6.	Group Discussion	10 am - 12pm
7.	Panel Discussion	2 pm - 4 pm
8.	Cultural Evening	6:00 PM Onwards

9. Attendance of the Event

Total attendee- 100

10. Feedback of the Event-

- **Insightful session**
- **Great and helpful**
- **It was amazing**

- **Very informative. Speaker was prepared for the event and answered each question with patience. Thanks to the team for starting the event on time. Good job everyone. Thank you!!**
- **Wonderful session**
- **Fruitful session**
- **Please organize in the future also. Informative session**
- **Nice**
- **Very nice**
- **Session was too good**
- **It was a nice session**

Introduction of the Event

The event commenced with a welcome address by Dr. Dinesh Yadav, Professor & Head, Manipal University Jaipur briefing the participants about the basic details of the session. The speaker started explaining about IEEE Microwave Theory, its history, and evolution, its development in the future aspects. The event witnessed the participation of around 100 students.

The objective of the Event

- Brief introduction of Microwave Theory
- Knowledge about the development of future wireless communication and sensing system

Beneficiaries of the Event

- Students
- Faculty

Details of the Guests

- Prof. Maurizio Bozzi,
Professor at University of Pavia, Italy
- Prof. Quan Xue
Professor at South China University of Technology, China
- Prof. Rodica Ramer
Professor at University of New South Wales, Sydney, Australia

Brief Description of the event

The event commenced with a welcome address by Dr. Dinesh Yadav, Professor & Head, Manipal University Jaipur briefing the participants about the basic details of the session. The speaker started explaining Microwave Theory, its history, and evolution, its development in the future aspects. The speaker started with Microwave theory intending to stimulate the students and then about the history and further evolution of the wireless system. It also covered points on its future developments. We had a brainstorming session with questions from the participants and then a quiz about microwave theory and generalization. The winners were also awarded 1st, 2nd, 3rd prizes with pen drives. The session ended with the participants receiving certificates based on their evaluation in the workshop.

Microwave Education Around the World

- For Future Wireless Communications and Sensing from Megahertz to Terahertz

HOME / MICROWAVE EDUCATION AROUND THE WORLD

26 November 2021 (15:00-16:30 UTC+8)

IEEE MTT-S Distinguished Microwave Instructor

		
Prof. Maurizio Bozzi Prof. Bozzi (IEEE Fellow) received the Ph.D. degree in electronics and computer science from the University of Pavia, Italy, where he is currently a full professor. He was also with the University of Darmstadt, Germany, and the École Polytechnique of Montréal, Canada. His research interests include substrate integrated waveguide, sensors, and novel materials and technologies for microwave circuits.	Prof. Quan Xue Prof. Xue (IEEE Fellow) received Ph.D. degree in electronic engineering from the University of Electronic Science and Technology of China, Chengdu, China. He was with the City University of Hong Kong. He is now a full professor with South China University of Technology. His current research interests include microwave circuits and antennas for 5G and 6G mobile communications.	Prof. Rodica Ramer Prof. Ramer received the B.E., M.E. and Ph.D. degree in solid-state physics from the University of Bucharest. She has been with University of New South Wales, Sydney, Australia, where she is currently a full professor. She has published over 200 research articles in the areas of the microwave circuits for wireless and communications applications.

The Distinguished Microwave Instructor (DMI)

- The DMI program is supported by the IEEE Microwave Theory and Techniques Society (MTT-S), which aims to stimulate the interests among undergraduate or tertiary students to bridge the pathway to the development of future wireless communications and sensing systems.
- Through the DMI program, world-famous educators and engineers will introduce the history of wireless technologies, the evolution of modern wireless systems, and the cutting-edge wireless applications to be used in our daily lives in the foreseeable future. These DMIs will also share their own experience of growth.

Being A Part of The DMI Program

- The DMIs will reveal the mysterious veil of wireless technologies and show you the long journey of wireless technologies from traditional applications 30 years ago (radio, TV and analog mobile phone) to today's portable devices and wearable/implantable wireless sensors.
- The participants will learn about ground-breaking achievements that microwave and wireless technologies have made to human civilization.
- By engaging with the DMIs, the participants will have access to excellent educational resources, touch the evolution of microwave engineering and feel the changes in the world through vibrant technologies of 5G/6G wireless communications, virtual reality, telepresence and automotive radar in unmanned vehicles.

Schedule of the event

1. Introduction of the Event

MUJ ACM S-Chap organized Intro to Hackathon as a means to educate freshers about the importance and opportunities that hackathons present. The session was also followed by a doubt clearing session wherein seniors who are experienced in hackathons shared their experiences and how they received certain job offers through hackathons. All doubts regarding hackathons were cleared in this session.

2. Objective of the Event

- Promoting community bonding
- Boosting Membership Drive
- Promoting problem solving skills amongst the participants
- Introducing the community to hackathons
- Clearing any technical doubts regarding hackathons that might arise

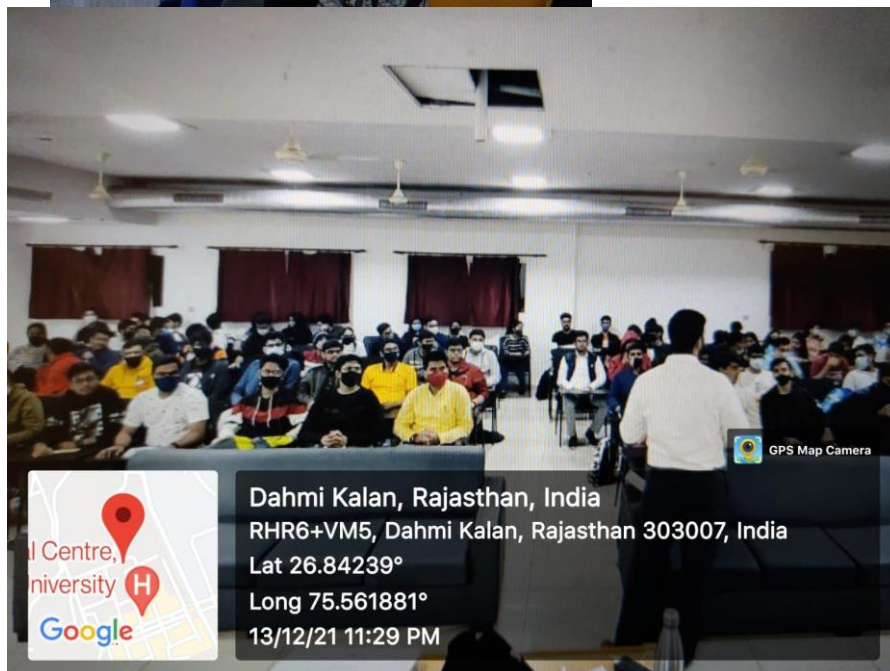

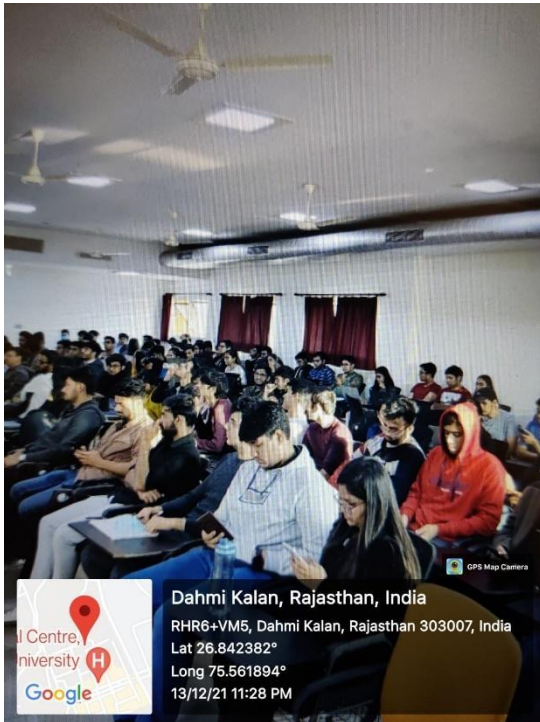

3. Beneficiaries of the Event

- Students of Manipal University Jaipur
- Members of MUJ ACM Student Chapter

4. Brief Description of the event

The Talk was held on 26th November 2021 at Room 307 AB-1 with limited capacity and safety protocols in place. The talk was given by Mr. Kathan Desai, Technical Head at MUJ ACM Student Chapter and COO at BugBase. He has won many hackathons and was delighted to share his experiences with all those who wished to get involved with hackathons. He also made sure that all technical and operational doubts pertaining to hackathons were cleared well ahead of time for the upcoming Mini Hacks 2.0. Freshers took this opportunity to learn and were seen putting in efforts from their side. The talk also listed the opportunities our seniors received through hackathons such as placements, internships, national recognition, scholarships, funding etc. and what it takes to grab these.

5. Event Photographs

Introduction of the Event

Muse x Vaarwel, a remarkable event, was held on 26th November 2021. Muse has always been an intimate event of ours, which takes place in a closed space which is the jam room. The audience is limited to invite only. Vaarwel is a farewell from us to our seniors, due to some changes in scene both the events took place on the same day together. The setup and the decoration aptly matched the mellow vibe of the event, hence making it a successful event.

Objective of the Event

- The main motive of this event was to give a memorable farewell to our beloved seniors who contributed to TMC during their college years and make their last Muse event worthwhile.
- Added to that, this event was planned to give exposure to offline events again and make people experience the vibe of a proper musical event after such a long break.
- Everyone had a great evening and enjoyed the performances thoroughly.
- The juniors had a great learning experience from the core as well as the present seniors. It was a great chance to interact with the seniors too.

Beneficiaries of the Event

- Students.

Details of the Guests

- The event was mainly organized for the final year students.
- The invitations were sent to the people who were selected on a random basis, which included Third as well as Second Year students along with the Final Year students.
- The people who were selected were given a perk of bringing a +1 with them and enjoy the beautiful evening.

Brief Description of the event

Muse x Vaarwel was held on 26th November 2021. It was a great and successful event organized by TMC. The event was sponsored by Red Bull. There were around 50 people in the audience, including the performers. The event was hosted by Aayush Dabral, and the evening began at 7pm. There were a total of 7 soothing performances.

Everyone witnessed an offline event after a long time. Great performances were delivered by the seniors which maintained the pleasant vibe. On top of all that, some of them were giving their last performances.

The jam room was decorated with the help of the Scribbles team. There were doodles and sketches done which enhanced the beauty of the jam room. The credits for coverage of the event goes to team Aperture, who beautifully captured each moment.

Nostalgic messages from juniors to their seniors

The lovely arrangement for the performances

All smiles after an enthralling event

Schedule of the event

The list of performers for the event was as follows-

- Ronit Banerjee
- Gursneh Sukhija
- Anshika Agarwal
- Jatin
- Bhumika Keswani
- Shamik Kotian
- Bharath Ashok

1. Introduction of the Event :

It is a educational event where students get to learn about the application of python in astronomy, instructors from Spaceonova taught students on what is python , why only python is used and how to use it.

2. Objective of the Event :

- To teach students the basic of the Python programming language.
- To get them acquainted with the scope and vastness of the topic Pulsars and Quasars.
- To teach them that astronomy is not only physics and mathematics but also includes technical knowledge of coding and various other subjects.

3. Brief Description of the event ;

The event was of 2 days:

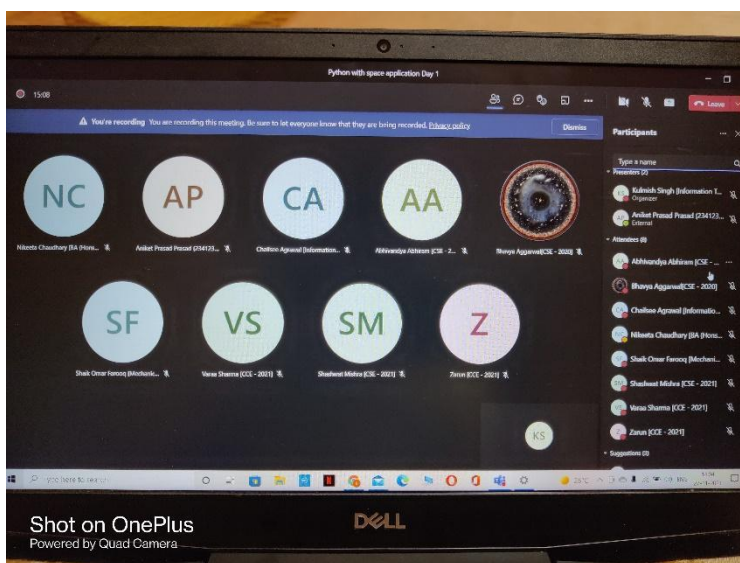

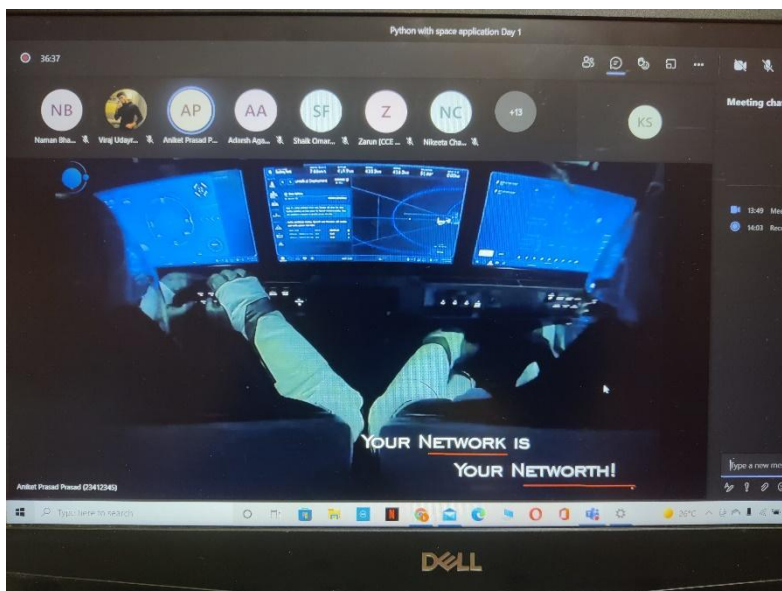

On day 1 of the event instructor from Spaceonova conducted the class on MS Teams for INTRODUCTION ON PYTHON , where he taught students on what are the basics of python and how to implement them.

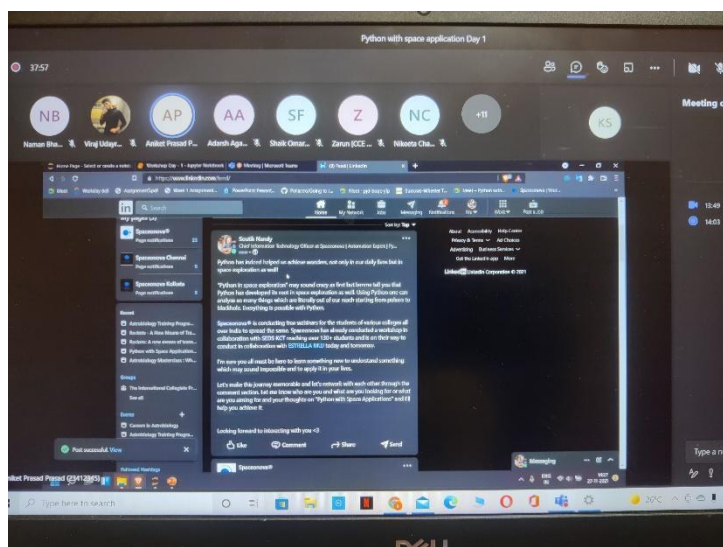

On day 2 we had to unfortunately cancel the day 2 part due to technical issues, but we held on question answer session from their(SPACEONOVA) side.

Where students asked their doubts on various topics like Pulsars , Black holes, Quasars , Nebula and etc. and internships and doubts related to the programming.

1. Introduction of the Event

MUJ ACM S-Chap organized Mini Hacks 2.0 as a fresher centric hackathon to help introduce freshers to the world of hackathons and getting them started on their technical journey. The hackathon was conducted in offline mode wherein the participants had 36 hours to learn, build, seek mentorship and finally pitch their prototype in front of the judges.

2. Objective of the Event

- Promoting community bonding
- Boosting Membership Drive
- Promoting problem solving skills amongst the participants
- Introducing the community to hackathons
- Clearing any technical doubts regarding hackathons that might arise

3. Beneficiaries of the Event

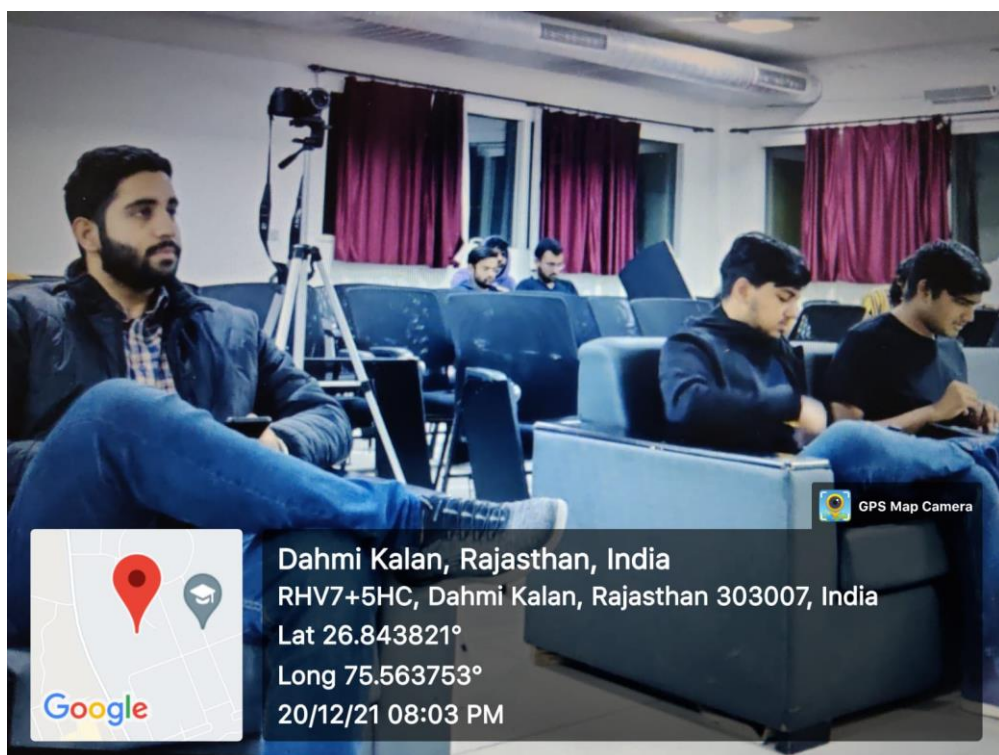

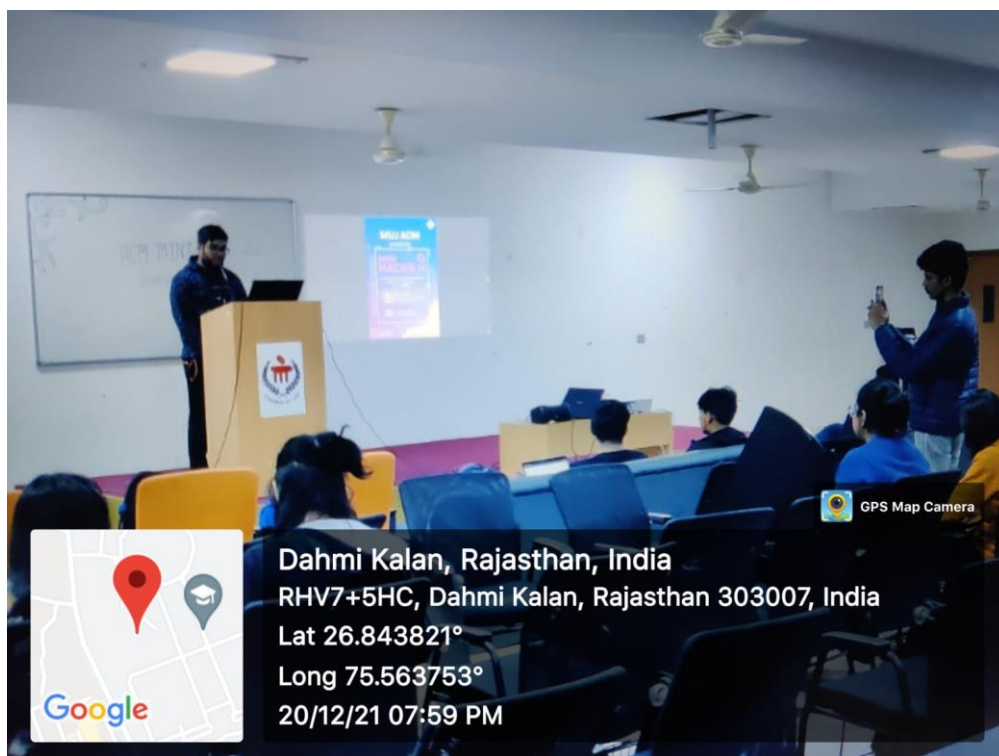

- Students of Manipal University Jaipur
- Members of MUJ ACM Student Chapter

4. Brief Description of the event

The hackathon was conducted between 27th to 28th November 2021 with a limited capacity and with all safety protocols in place. The hackathon began with a set of problem statements being released. The participants raced against the clock in an intense 36-hour long challenge to learn, build and improve their prototypes.

Mentorship sessions were provided to the participants to help them understand the problem statement and the feasibility of their idea/prototype better and what could be further improved. The participants were judged in 2 rounds, round 1 aimed to select the top 10 teams out of the pack that would advance towards the final round. A standard judging criterion was devised which consisted of presentation, idea, prototype, business validity and feasibility amongst other things. The scores of the top 10 teams were then normalized across all the judges to find the winner of this 36-hour long hackathon. Recognition was given for The Best Idea and The Best Prototype as well.

5. Event Photographs

6. Brochure or creative of the event

The brochure is for the MUJ ACM Mini Hacks 2.0 event. It features a dark purple background with orange and white decorative elements. At the top, there are logos for .xyz, a stylized 'A' with a rocket, Open Story, replit, and the MUJ ACM Chapter logo. The main title 'MUJ ACM presents' is in large white letters. Below it, 'MINI HACKS 2.0' is written in large, bold, pink letters. A central text box contains the event details: 'upgrade your skills from mini to MEGA', 'PRIZE POOL - Rs 10K', 'VENUE- MUJ COLLEGE CAMPUS', 'FROM- 27 TO 28 November', and 'FREE for ACM Members Rs 50 for NonACM Members'. On the left side, the text '#OFFLINE EVENT' is written vertically in white. At the bottom left, contact information is provided: 'Contact : Aryaman: 96523 78882 Kathan: 88265 23484'. The bottom right corner features a stylized orange and yellow wave graphic.

1. Introduction of the Event

A street play was prepared to spread the social message of mental health prepared by the club. A team of 28 students from Cinefilia participated in the street event for the unveiling of the club.

2. Objectives of the Event

- Introducing students from all years to Cinefilia.
- Building the sense of teamwork and trust among the participating students.
- Learning to control voice and performing in an organized manner.

3. Beneficiaries of the Event

- Students
- Faculty

4. Brief Description of the event

The event was held on 29th November'21 in the hostel at TedX Chowk at 6:30pm. This play was a part of the unveiling of the big five clubs. A crowd of 200 students was the audience.

The main objective of this play was to spread awareness on the ever-worsening condition of mental health of a student which leads them into social evils. The evening also included the unveiling of Aperture, The Music Club, Coreografia & Litmus and was concluded with performances from all the big five clubs.

5. Photographs

Scene 1 – Opening of the Play

Scene 2 – Student under society pressure

Scene 3 - Breaking through the social oppression

Final Scene – Moral confusion between good and evil

6. Schedule of the event

The event was held on 29th November from 6:30 pm to 7:00pm.

7. Attendance of the Event

Total attendees- 28
