

# One-Day Interactive Session

With

## Prof Vijay Garg, President CoA

An interactive session for faculty members and students of Architecture with Prof. Vijay Garg, President, CoA was organized on 15<sup>th</sup> October, 2018 at MUJ. The session began with welcome and facilitation of Guest by Prof. Madhura Yadav, Director SA & D.

While addressing faculty members, Prof. Vijay Garg talked about various aspects of NATA-2019 (National Aptitude Test for Architecture). He also asked for various suggestions and possibilities to make NATA more flexible so that more students are benefited. Different possibilities of making the curriculum more industry driven was also discussed.

He also talked about various initiatives of Council of Architecture in near future i.e. grading of Institutes, single aptitude test in the country etc.

Prof. Garg addressed the students and discussed about the expectation of Architectural Profession. He discussed about the role of Indian Institute of Architects (IIA) and Council of Architecture (CoA) in Architectural Profession. He also discussed about their dream Curriculum.

He visited various labs i.e. computer lab, model making lab, climatology lab, material museum and exhibition spaces. He appreciated the work of students and various initiative by the institute for the development of labs with the latest equipment.
