

## Workshop on Design Thinking and Ideation by Ar. Rajas Phopale on 12 November 2019

School of Architecture and Design (SA&D) organized a 1-day workshop as part of the Design studio for the 1<sup>st</sup> year B.Arch students on 12<sup>th</sup> November 2019. Ar. Rajas Phopale, alumnus of IES, Mumbai and NID, Ahmedabad introduced the class to the process of design thinking and creating tangible ideas and concepts. The students were involved in different kinds of activities, both independently as well as in groups. These activities enhanced the students' understanding of basic design and user profiling. The workshop was highly beneficial for the students and the sample pitches they gave as a group at the end of the day demonstrated their understanding of the task and the principles highlighted in the workshop.
