A. AGENDA FOR DISCUSSION

34AC (A-1): Controller of Examinations

34AC (A-1-1) Dual Specialization in MBA Programme to be applicable for the 2020 admitted students/Students passing out in the year 2022.

The Controller of Examinations presented the Degree format that shall be issued to MBA students admitted in 2020/Students passing out in the year 2022, which will have the Dual specialization mentioned in the Degree Certificate.

Based on the inputs by CoE, the Council suggested the following:

 Degree Nomenclature with Dual specialization in the Degree Certificate has to be strictly adhered to as per the Regulatory Body approved guidelines.

34AC (A-2): Provost

34AC (A-2-1) Implementation of Dual Degree Programmes in MUJ - Pilot Phase

Provost gave a presentation on the possibility of implementation of Dual Degree Programmes in MUJ.

Based on the presentation by Provost, the Council suggested the following:

- Though 40% of the courses can be offered through MOOCs, it must be kept in strict consideration that those courses shall not be totally offered in Online mode, rather it should be offered by faculties by utilizing the modules available in MOOC, conduct regular physical classes and proctored exams.
- Unless there are more specific clarifications from the Regulatory Body in offering Dual Degree Programmes, this can be put on hold for time being or give more time before implementation and not to drastically jump into offering Dual Degree Programmes.
- Instead of offering two different programmes simultaneously for a Dual Degree, we
 may look into the possibility of offering Degrees with minor specializations.
- As of now, we can go for offering Dual Degree programme with one Physical Degree
 and one Online Degree to be taken simultaneously with consideration of common
 subjects to be exempted for repetition.

34AC (A-3): Directorate of Academics

34AC (A-3-1) Re-Admission fee for the student applied for mercy admission/re-admission Director, DoA, proposed a re-admission fee apart from the regular tuition fee for those students who are left to clear one or two semesters and have requested for mercy admission to complete his/her degree.

Based on the presentation by Director, DoA, the Council suggested the following:

- After the Committee's approval, the re-admitted students shall pay the fees based on the number of credits which he/she needs to earn to be eligible to get a degree, rather than paying the whole semester fee.
- · Not to use the term "Mercy" admission.

34AC (A-3-2) NPTEL/SWAYAM Courses for Credit Transfer (from AY 2022)

Director, DoA, proposed that a few of the Programme Electives, Generic Electives, Mandatory Learning Courses can be offered through NPTEL/SWAYAM platforms with one lecture in physical mode per week and exams to be conducted in proctored mode.

The Council suggested that the various Institutes of Manipal Group can come up with a common designed MOOC for such courses in a licensed online platform like BrightSpace which can be offered to the students across Manipal Educational Institutions. It was also suggested that Director, DoA, should come up with list of the common courses which can be

offered as MOOC through this platform. It was also suggested that this can be taken up as an agenda for the forthcoming MESVCC meeting.
