An Alumni webinar was organized by Department of Journalism and Mass Communication in association with Directorate of Alumni Relations (DOAR) on Thursday, March 4, 2021. Dept. of J&MC alumnus Ms. Malieka Singh Tak spoke on '**Art Direction & Films**' in the session. She is currently working with Take2 Films & Equipments Pvt. Ltd (New Delhi) and a freelancer for various production houses, like T-Series, 5queue etc. as an Art Director & Set-Designer. She deliberated upon different dimensions of art direction in cinema and current trends of the industry. The session was attended by Dr. Subhash Kumar, Head, Dept. of Journalism and Mass Communication, Dr. Sushil Kumar Jain, In-charge Director, Directorate of Alumni Relations, MUJ and faculty members of Dept. of J&MC along with the students of BA J&MC and MA J&MC.

The expert talk was productive, meaningful, and relatable for the students. The session was quite interactive and engaging as Ms. Malieka spoke about her work life experiences at Take2 Films and the challengers faced by freshers at the beginning of their careers. She also highlighted the need for women to muster courage and become a part of the film industry as this place is safe and full of opportunities for the hardworking and creative people. The students of current batches liked the session so much. Students' queries were answered at the end of the talk by the speaker.

Ms. Malieka has recently worked on the sets of a T-Series music video – 'Lut Gaye', starring Emraan Hashmi & another one with Arjun Kapoor which is yet to release.

Apart from that she has done Digital ad films, TVCs, YouTube sketches and short films. She aspires to become a production designer!
