Report on
Expert lecture on Introduction to Actuarial Science
Department of Economics, Manipal University Jaipur
24th March 2022

About the program:

Department of Economics, Manipal University Jaipur organised an expert lecture on Introduction to Actuarial Science on March 24, 2022, from 3:00 PM to 5:00 PM. Representatives from Societies of Actuarial Science had visited department on **24th March 2022 and had a** interaction with the students of second semester. The session was taken by Dinesh Chandra Khansili, former, Executive Director of Institute of Actuaries of India and currently Editor, the Actuary India. The session was arranged primarily for the first-year students of B.A. (Hons.) Economics. Around 30 students of first year Economics participated in the session. The session was fruitful for all the participants since the students have mathematics and statistics as a part of their current syllabus. The speaker provided all the students with a general overview about the Actuarial Science and their scope in India. Through different examples, he explained various aspects of Actuarial Science and the career prospects in it. They had presented the opportunities in future in Actuaries. After the interactive session with students, a small discussion was scheduled with faculty members of the department.

About the speakers:

Mr. Dinesh Chandra Khansili is former, Executive Director of Institute of Actuaries of India and currently Editor, the Actuary India, and guiding Institutions in providing Actuarial awareness and Actuarial Education. He started his career from LIC of India and then worked in various other national and international organisations. He was General Manager – Technical and Actuarial, ARM Life Lagos, Vice President (Actuarial), Aviva India, Deputy Director, IRDAI and Officer, LIC of India. During his career spanning to nearly four decades, he set up various insurance, reinsurance and actuarial processes in various organisations and trained the man-woman power. He has closely worked with Government of India during annual budget preparation and on other occasions provided views on Insurance related matters. He was

involved in valuation of Eagle Insurance, Sri Lanka. He had been Actuarial Consultant to many Companies Encouraging Students and fellow colleagues to take up Actuarial Science as career option and teaching Insurance and Actuarial Science is his passion. He has been visiting faculty to various Universities and Institutions. Some to name- Amity University, Jamia Millia Islamia Central University, Osmania University, IRM Hyderabad, IIM Mumbai.

Mr Binu George is currently working as a Representative with Society of Actuaries. Previously he was associated with American Chemical Society one of the largest Scientific Society globally for almost 6 years. He has more than 17 years of work experience including from hospitality sector & working with different international associations.
