Manipal University Jaipur

1. Introduction of the Event

An Industry expert lecture was organized by Department of Languages on “DLM Process Flow and Functionality”. The purpose of this industry lecture was to make faculty members aware about the mechanism of Digital Linguistics Mentee. The session was focused for practical aspects and content preparation for faculty members.

2. Objective of the Event

- To train faculty members about the mechanism of DLM.
- To identify common difficulties encountered by the faculty
- To create new content on the software

3. Beneficiaries of the Event

- Faculty

4. Details of the Guests

Sh. Rohit Methil, Software Engineer Thaliyola Infotech Pvt. Ltd, Kerala.

5. Brief Description of the event

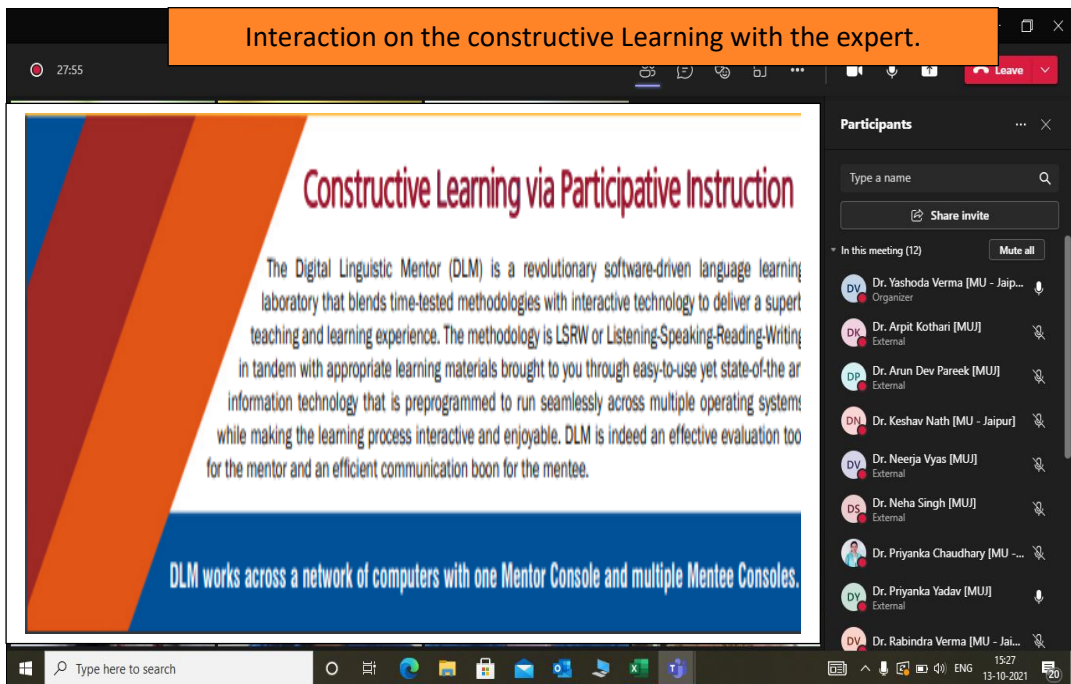

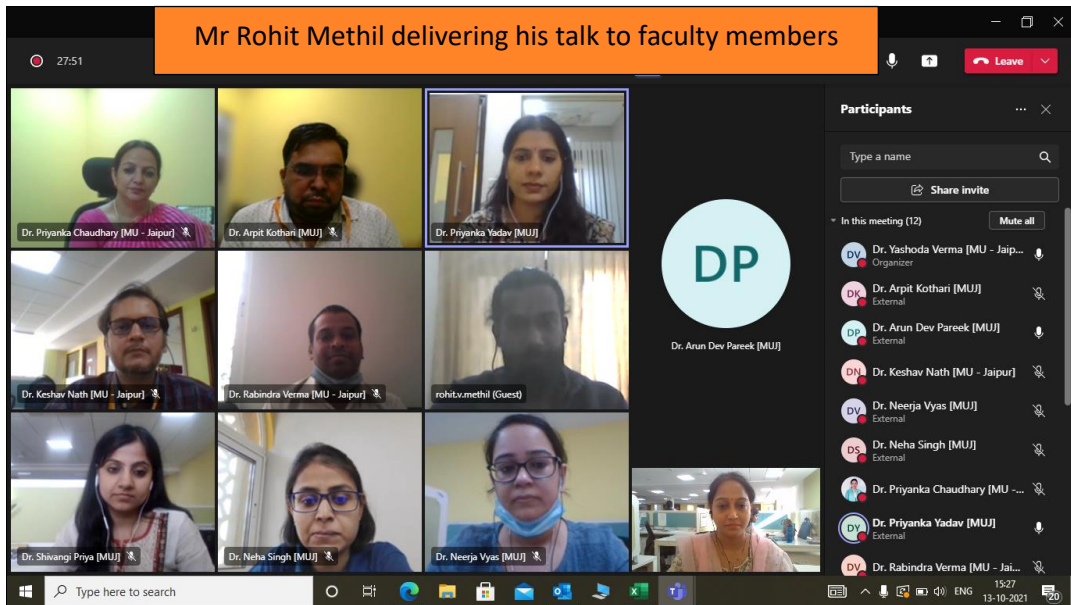

A training session of Digital Linguistic Mentor (DLM) was conducted on 13 Oct 2021 on MS Teams. The purpose of this training session was to enhance four skills LSRW, Listening Speaking Reading, and Writing through the DLM (Digital Linguistic Mentor) Software. The resource person explained all the features of the language lab software to augment four skills and explained ways to use this software. He further detailed all the features of this software which include the course content of Language Lab. The content of this software smoothens understanding the process, the difference between listening and hearing activity. The students get benefitted from listening to an audio/audiovisual recording and responding. The software also includes

Through this software, all the features can be utilized for maximum benefit. However, with a good and efficient Digital Language Lab system, 80 percent of the focus is given to listening and language learning. Learning through a digital lab supports meaningful, associative, and active learning while discouraging rote learning. The interactive multimedia tools keep students' attention while making learning interesting and quick, which is especially important for today's digital-savvy age.

The software includes features of Reading and Conversation skills as well which include content like dealing with an unseen passage, responding to specific vocabulary, role-play activities. The training session ended with thanksgiving to the resource person by Dr Yashoda Verma, Language Lab Coordinator, Department of Languages, Manipal University Jaipur.
