

One-Day Training Workshop on Career Planning through Mind Mapping

A one-day workshop was organized by the department of psychology on 23rd February 2024 for the undergraduate students to understand the concept of mind maps and apply mind mapping to define and plan their career paths. It was an interactive and activity-based workshop. The Resource person Prof. (Dr.) Alpana Vadiya conducted the interactive workshop in which all the students participated enthusiastically and took back many wonderful experiences and learnings. The event was attended by students and faculty members of the department.

Date- 23 February 2024
