Donation Drive & Awareness Campaign on “Girls Education”

(SOCIAL CONNECT ACTIVITY)

6th October 2022

Introduction of the Event

Rana community are very backward and illiterate to a larger extent. It has been observed that around 1000 people are living in Jaipur for last 6 to 7 decades and they have not been motivated to adopt a decent standard of living. Awareness has to be created among those people so as to uplift themselves and also explore other avenues except Dhol. This is because during Covid this community has been adversely hit as there were no public gatherings, weddings etc and they have been forced to depend on begging for food.

The “Donation Drive and Awareness Program” would try to collect used clothes, toys and Blankets for those poor people and distribute the same on 20th of May 2022. It is also seen that the kids of especially these communities are deprived from schooling as parents are not educated and being poor they force their children to either indulge in begging or take up jobs. Awareness regarding education (with special focus on girl’s education) would be presented to them in the form of Nukkad Natak by our NCC and NSS students to encourage the parents and children to take up education. Stationary items such as notebooks, pencils etc would be distributed to the kids.

Objective of the Event

The objective of this social connect program is to meet our some of their requirements through donation drive and create an awareness among children.

regarding significance of education. Through this campaign we would try to change the behaviour and attitude of elders too like parents, family etc. Today the growing concern is that majority of the poor spend their life in having drugs, alcohol, etc and there is no vision or incentive, and the objective of the event is to provide them an opportunity to think about the role and responsibility towards the society and nation.

Beneficiaries of the Event

- Girls of the slum
- Adults (Parents)

Details of the Guests

NA

Brief Description of the event

The event was organized by Department of Economics in collaboration with DSW and SAY club in order to create awareness among parents, and girls to take up education opportunities available.

Dr Oum Kumari R and Dr Thakur Dev had also answered the questions and queries of parents and females. Finally, the volunteers distributed stationary items and kit to the children in the slum.
