Brief Description of the event

Professor Pandey explained the general characteristics of the drama. He said that 'Avasthanukriti Natyam' means the playimitating the states. In poetry or drama, content is used which is written based on the feelings of the poet. Simplifying his point, he said that whatever is written after the feeling of the poet, the whole activity is imitated in drama. This imitation is done through four types of acting, Angik, Vachik, Satvik, and Acharya. Through these, the poetic parts are presented through Nata Abhinaya. It reaches society through simplification. From this phenomenon, Rasa is obtained. This Rasa is transcendental, which can be attained only through poetry.
