1. Introduction of the Event:

The School of Architecture & Design at Manipal University Jaipur in association with Mahilla Housing Trust on May 12th, 2023, from 11:00 am onwards, a transformative event unfolded—the "Community Interaction Workshop on Community-Based Solid Waste Management Practices." This gathering served as a platform for knowledge exchange, fostering a collaborative environment where community members shared insights, experiences, and innovative practices in solid waste management. The event aimed to empower participants with practical solutions, strengthening their commitment to sustainable and effective waste management within their communities.

2. Objectives of the Seminar:

- To facilitate the exchange of valuable insights and experiences among community members, promoting a comprehensive understanding of community-based solid waste management practices.
- To provide practical knowledge and tools to empower participants with the skills needed to implement effective and sustainable waste management solutions within their respective communities.
- To foster a collaborative environment to encourage networking and partnership-building among participants, promoting collective efforts towards creating cleaner and healthier communities.

3. Beneficiaries of the Event:

- Common public residing at Prithvirajsinghpura

4. Details of the Expert:

Dr. Madhura is a highly accomplished Architect Planner with 29+ years of experience in Administration, Academics & Research and currently Dean of Faculty of Design at Manipal University Jaipur, and an expert in UPSC, AICTE, CoA and DST Rajasthan & NITI Ayog, Government of India. Her expertise in Sustainable Architecture Design & Planning has been shared through keynotes across universities and governmental bodies. Her scholarly work includes numerous publications and mentoring PhD candidates.

Her research and publications have earned her numerous awards and accolades, including the Indo Pacific Architecture Excellence Award 2021, Education Leadership Award 2019. She is also a UNESCO certified mentor and a member of ICOMOS National Scientific Committee in Working Group of Sustainable Development and in Climate Change and Heritage. She is Fellow Member of various architectural and planning institutes, IGBC etc. contributing to the growth of sustainable and inclusive Design & Planning.

5. Brief Description of the event:

The "Community Interaction Workshop on Community-Based Solid Waste Management Practices" unfolded on May 12th, 2023, from 11:00 am onwards in the rustic setting of Prithvirajsinghpura, a quaint village under the Sanjhariya panchayat in Jaipur, Rajasthan. The event aimed to empower the local community with knowledge and skills for effective waste management. Residents of this rural area actively participated, exchanging insights and experiences. The workshop not only offered practical tools for sustainable waste practices but also facilitated networking and collaboration, fostering a sense of collective responsibility. Amidst the serene surroundings, community members engaged in enriching discussions, contributing to the shared goal of creating a cleaner and healthier environment for Prithvirajsinghpura and its neighboring regions. The event encapsulated a spirit of community collaboration and empowerment, laying the foundation for positive and sustainable changes in solid waste management practices within the rural landscape of Jaipur, Rajasthan.
