## 1. Introduction of the Event

An expert lecture by Ar. Rajas Phopale was organized by School of Architecture and Design, Manipal University Jaipur, for the first year architectural students. The aim of the workshop was to introduce the idea of “concepts in architecture” to our new learners. The program was coordinated by Ar. Ayushi Sharma and Ar. Bibhu K. Nayak of the Department of Architecture.

## 2. Objective of the Event

- To involve participation from the students.
- Intended to develop an understanding of the role and transformation of concepts in the field.
- To make them understand on the principles of basic design and user profile.

## 3. Beneficiaries of the Event

Students from the B.Arch 1<sup>st</sup> year (1<sup>st</sup> Semester) School of Architecture and Design attended this workshop.

## 4. Brief Description of the event

School of Architecture and Design (SA&D) organized a 1-day workshop as part of the Design studio for the 1st year B.Arch students on 10th December 2021. Ar. Rajas Phopale, alumnus of IES, Mumbai and NID, Ahmedabad introduced the class to the process of design thinking, creating tangible ideas and generating concepts. The students were involved in different kinds of activities, both independently as well as in groups. These activities enhanced the students’ understanding of basic design and user profiling. The workshop was highly beneficial for the students and the sample pitches they gave as a group at the end of the day demonstrated their understanding of the concept and the principles highlighted in the workshop.
