- PG Students (Architecture, Design and Construction related Fields)
- Research Scholars of various fields
- Academicians, Practitioners, and Industry Professionals in the fields of Architecture, Design, and energy related Engineering.

4. Details of the External Examiner:

Professor Anil Dewan, an architect, health facilities planner, programmer, educator, motivator, and researcher, serves as the Head of Department for Architecture at SPA-New Delhi. He holds the role of coordinator for the NRC in the Arpit Swayam program of AICTE, SPA, GOI. His teaching expertise lies in hospital design and professional practice. Additionally, he guides and chairs the DRC in Architecture and engages in international consultancy projects. Prof. Dewan boasts a publication record that includes various books and research papers in esteemed journals, notably "Manual of Hospital Planning and Designing" published by Springer Singapore (33 pages) and works on topics like air conditioning, airborne infection prevention, and air pollution in buildings in New Delhi. He has also contributed significantly to the progress of indoor air quality regulation in India.

5. Brief Description of the event:

The PhD Viva examination for Abhinav Chaturvedi, a PhD Scholar, has been scheduled for December 19, 2023, at the FoD boardroom on the second floor of the administrative block at MUJ. Under the guidance of Prof. (Dr.) Madhura Yadav, Dean FoD, he completed his thesis. All DRC Members were present at the event, alongside faculty members from the School of Architecture & Design and research scholars. Dr. Anil Dewan, the external examiner, reviewed the PhD thesis, and both he and the DRC members approved his thesis, recommending him for the award of a PhD Degree.
