Figure 1: Event Flyer

Ar. APARNA BHARGAVA is principal landscape Architect and proprietor of firm “ECO ENVISION DESIGN STUDIO” founded in year 2012, based in Jaipur. The firm deals with all scale and type of landscape and

architectural design projects. The studio believes in exploring the opportunities which every site poses and merging the nature with built form. Every project is important irrespective to its magnitude as it holds value for the owner and connects them to mother earth. Ar. Aparna did her M.Arch (Landscape Architecture) from School of Planning and Architecture, Delhi 2010, B.Arch from A.S.A, Jaipur 2006 , She is gold medalist from Aayojan School of Architecture, and has hands on experience of twelve years in the field of Architecture, worked as a guest faculty at M.N.I.T, Jaipur. Since last eight years she is practicing as an independent Landscape Architect at Jaipur. She is an associate member of Indian Society of Landscape Architects (ISOLA), and presently treasurer of Rajasthan Chapter, she owns a personal blog under name “Unlocking Landscape Stories of Rajasthan”

Ar. Aparna Bhargava believes in exploring the opportunities which every site poses and merging the nature with built form. Every project is important irrespective to its magnitude as it holds value for the owner and connects them to mother earth. She had delivered an expert talk on “**LANDSCAPE ARCHITECTURE**” – BY AND LARGE
