

Guest Lecture

Fashion Design Department

SD&A, FOD, MUJ

28th February, 2023

On 28th February 2023, Akhil Tripathi, a renowned expert in the field of fashion and technology, was invited as a guest speaker at Manipal University Jaipur. The topic of his lecture was "Technological innovations and their impact on fashion industry". During his speech, Akhil Tripathi shared his insights on how technology is transforming the fashion industry. He discussed various technological advancements such as 3D visualisation, garment reviews, customer handling, and online services providing solutions for artificial intelligence augmented realities in the garment industry. Additionally, he also highlighted the importance of sustainable fashion and the steps taken towards it. The lecture was informative and engaging, and the students and faculty members gained valuable insights into the future of the fashion industry.
