Brief Description of the event

“Vastu Shastra- a science or myth”, explained by Architect Preeti Sharma, who was the speaker of the day. Being a certified Vaastu Shastra consultant she focused her session on giving insights to the students on how to incorporate Vaastu Shastra in their design projects and how to deal with clients who are very keen in Vaastu without compromising the design. She briefly introduced Vastu Shastra and explained its importance in interior design. Students asked various questions regarding the placement of the various spaces designed in a building. The speaker also explained various solutions based on Vaastu Shastra for wellbeing of the clients. The session was concluded after an interesting question and answer session.
