**Session on Architectural Hardware,
Movable Walls, and Automatic Sliding Doors by Hafele India.**

14th June 2022

Head, Department of Interior Design
SP&D, Faculty of Design
Manipal University Jaipur

Introduction of the Event

Department of Interior Design organised the fourth knowledge sharing session with Hafele India. The session was conducted by the Hafele India representative, Ms. Anjali Gupta, Manager Training & Development, Hafele India Pvt. Ltd. at our campus physically on 14th June 2022 from 9:30 am to 1:00 pm for our design students. The session was on Architectural Hardware, Movable Walls and Automatic Sliding Doors by Hafele India.

Objective of the Event

- To make the students understand about the types and working of Movable Walls and Automatic Sliding Doors.
- To make the students understand about the various architecture hardware and their use in interior/exterior design.

Beneficiaries of the Event

- Students
- Faculties

Brief Description of the event

The Industry Expert from Hafele India explained briefly about the various architectural hardware's, Movable Walls, and Automatic Sliding Doors available with the company. She explained what to and where to install the right the hardware. She described the installation techniques of the movable walls and automatic sliding door, along with its uses. She also explained various new furniture lighting fixtures and systems which can be used. Students from architecture department are also invited along with the interior design department student. Expert answered various questions/queries of the students and thoroughly made them understand about their related product range. The session was concluded with a vote of thanks and a group picture.
