Illuminating Interiors - Understanding climatology and daylighting

Manipal University Jaipur's Department of Interior Design organized a webinar on Illuminating Interiors on 4th September 2020 from 11am onwards. Interior have been responding to the architecture and structure, openings and daylight have been an essential part of this collaborative design. The expert lecture is focused on the aspects of daylight and sustainability in interiors. Students were introduced to different approaches to daylighting and many examples were discussed. The session ended with an interactive Question and answer round.
