### MUJ Unfold Series with Dr. Kirsty Máté

Department of Interior Design organized its next webinar in MUJ Unfold knowledge sharing session with **Dr. Kirsty Máté** from Australia on 3<sup>rd</sup> June 2021 from 9:30am-10:30am (IST) on *Microsoft Teams*. Dr. Kirsty Máté has a Bachelor of Architecture, Masters in Design and PhD and is an educator, consultant, researcher, writer, designer and artist on all things related to sustainable design. With over 30 years of experience in this area, you could say she is a pioneer. Her career in design has crossed many disciplines including architecture, interior design, textiles design, exhibition design, and performance art; has taken her around the world and into a successful career in academia as well as industry. She is widely published and has exhibited her work in both design and art. She currently runs her own business Rethink while continuing to enjoy a part-time role at UTAS after leaving full-time academia at the end of 2018.

The topic of the session was **A passionate career: How design steered my life in wonderful diverse directions**. The session came out to be very interactive with over 143 participants. Dr Kirsty Mate showed a glimpse of her career progression from her graduation till date. Her journey was very inspiring, integrating diverse directions of the designing field.
