Webinar on the Power of Uncertainty: reacting to change

The Department of Interior Design in collaboration with the department of fashion design jointly organized conversation with Designer **Ayush Kasliwal** - a name established in the Craft & Furniture industry. Ayush Kasliwal, a National Institute Of Design, Ahmedabad alumnus, is one of India's leading design thinkers, practitioners and advocates for artisans. A name established in the Craft & Furniture industry of India, an NID alumnus and recipient of many national and international awards discussed on power of uncertainty as a new mantra to stride into the future.

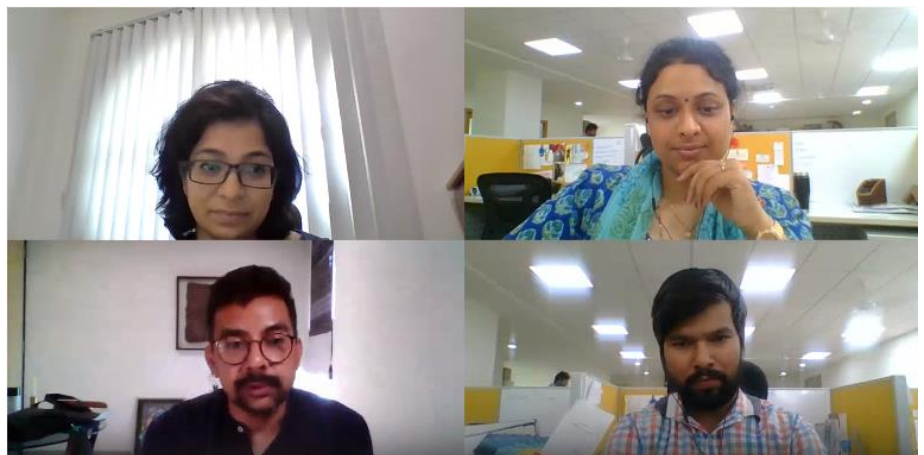

The first part of the series UNFOLD was to un-layer the power of uncertainty as a new mantra to stride into the future, which knows no constant. The event was organized on Friday, June 19, 2020 from 4:00pm to 5:00pm on MS Teams.

The speaker shared the light on various design related topics in relation with the ongoing situations of pandemic in the country.
