## Introductory Session with India Lost & Found

Manipal University Jaipur's Department of Interior Design organized an Introductory session with Amit Pasricha founder of India Lost & Found on 5th April 2021 from 4:00pm-5:00pm. Recently MUJ signed a Memorandum of Understanding with India Lost and Found through Pasricha Cultural Foundation.

India Lost & Found was born as a movement to change our relationship with history. As India has an abundance of heritage sites and perhaps that is why we have such little regard for it. Delhi alone has nearly 1400 sites, and so does Jaipur, even Orchha has more than 250! Sadly there's hardly any database available of these sites. While lesser known sites do exist, they are continuously threatened and lie depleted. Kolkata has lost 400 such sites in the last decade. As they say, out of sight, out of mind! At ILF, they are working towards creating a Heritage Map of India, one that can encourage the billion to explore and engage with our lesser known built heritage. As Mappers at ILF, students are encouraged to step out of their homes, virtually or in person, and scan their chosen area for heritage sites.

Amit Pasricha briefed the student about ILF and their working. They explained different projects they have been doing like the ILF site lens, heritage mapping etc. He also explained about the collaborative project MUJ's students will be taking with ILF in mapping Heritage sites. Through the MoU, ILF will also be providing voluntary internships for MUJ's students.
