### 3. About university NCC

NCC (National Cadets Corps) was formally inaugurated on 15 July 1948. NCC is a youth development movement. That has enormous potential for nation building. The NCC provides opportunities to the youth of the country for their all-round development while inculcating a sense of duty, commitment, dedication, punctuality, discipline, and moral values so that they become able leaders and useful citizens. The NCC provides exposure to the cadets in a wide range of activities with a distinct emphasis on social services discipline and adventure training. The NCC is open to all regular students of University and colleges on a voluntary basis. The students of NCC have no liability for active military service.

An Air Wing Troop of NCC is active in the Manipal University Jaipur which includes Senior Division and Senior Wing cadets. Cadets enrolled are given institutional training and can participate in adventure activities, community development programmes, various national level and annual training camps, and cultural activities etc.
