1. Introduction of the Event

Manipal University Jaipur is an Institutional Member of Oracle Academy which offers teaching and learning resources—including curriculum, cloud, software, and professional development—that help the educators to prepare their students with knowledge, hands-on practice, and career-relevant skills. 1300+ students & 40+ Faculty Members from School of CSE / CCE / IT successfully completed a course on Database Foundation (DFo) and achieved certification from Oracle Academy in the academic year 2022-23.

In the process of indulging maximum number of our faculty members to be part of this drive and adopt the standard course contents, an online session has been arranged with Mr. Yash Sharma, Oracle Corp.

2. Objective of the Event

To provide awareness among the faculty about:

- Basic MH navigation includes- instruction guide & offerings.
- Channel creation, adding learning path & course enrolment.
- Bulk student name edition.
- Certificate generation
- Reports Generation

3. Beneficiaries of the Event

Faculties of Computer Science & Engineering Artificial Intelligence & Machine Learning, Manipal University Jaipur

4. Details of the Guests

Mr. Yash Sharma

Project Assistant & Lead Institutional Alliances

Mobile: +91 9568208869

Oracle Academy India

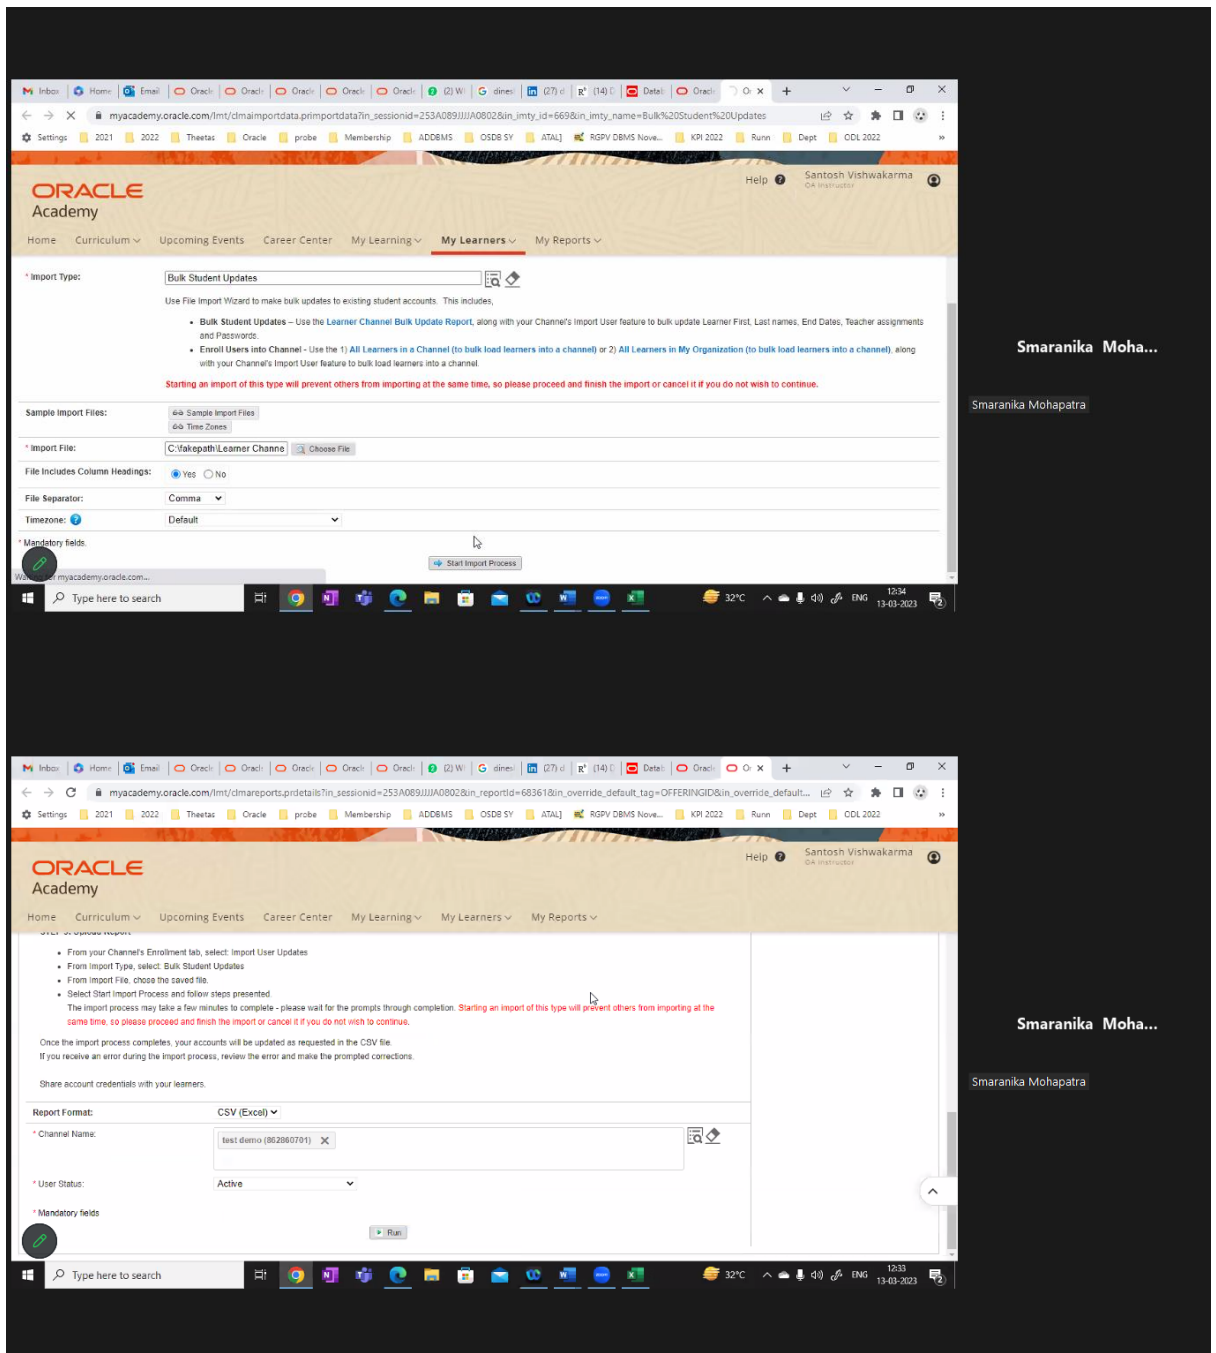

Oracle India | Building 3C Plot No. 8 | 201301 Sector 127 Noida Uttar Pradesh

5. Brief Description of the event

The event is to re-initiate the membership drive for the Faculty Members of MUJ to join the Oracle Academy and access to world-class technology and software, expert curriculum, teaching and learning materials, professional development courses, Oracle professional certification resources, member

recognition, and a wealth of classroom resources for their students. Educators can share with students many of these benefits, including study resources, Oracle certification learning materials, software licenses, Oracle Application Express (APEX) workspaces, an Oracle Academy Cloud Program for hands-on practice learning and developing, and much more.

6. Photographs

The top screenshot shows the 'Bulk Student Updates' import wizard. The 'Import Type' is set to 'Bulk Student Updates'. The 'Import File' field contains 'C:\akpath\Learner Channe'. The 'File Separator' is set to 'Comma' and the 'Timezone' is 'Default'. A 'Start Import Process' button is visible at the bottom.

The bottom screenshot shows the 'Run' button and a list of instructions for the import process:

- From your Channel's Enrollment tab, select: Import User Updates
- From Import Type, select: Bulk Student Updates
- From Import File, choose the saved file.
- Select Start Import Process and follow steps presented

The import process may take a few minutes to complete - please wait for the prompts through completion. Starting an import of this type will prevent others from importing at the same time, so please proceed and finish the import or cancel it if you do not wish to continue.

Once the import process completes, your accounts will be updated as requested in the CSV file. If you receive an error during the import process, review the error and make the prompted corrections.

Share account credentials with your learners.

Report Format: CSV (Excel)

Channel Name: test1 dsmno (862860701)

Smaranika Moha...

Smaranika Mohapatra

The image shows two screenshots of the AWS Academy Instructure LMS interface.

Top Screenshot: Lifecycle policies slide

The slide is titled "Lifecycle policies" and explains that Amazon S3 lifecycle policies enable users to delete or move objects based on age. It features a flow diagram showing the progression of an object:

- Amazon S3 Standard:** The initial state of the object (Preview2.mp4).
- Transition 1:** After 30 days, the object moves to Amazon S3 Standard - Infrequent Access.
- Transition 2:** After 60 days, the object moves to Amazon S3 Glacier.
- Transition 3:** After 365 days, the object is deleted.

Bottom Screenshot: Create Course form

The user is logged in as Deepika Shekhawat. The "Create Course" form includes the following fields:

- Course:** A dropdown menu with the following options: Academy Cloud Architecting, Academy Cloud Developing, **Academy Cloud Foundations** (highlighted), Academy Cloud Operations, Academy Cloud Security Foundations, Academy Data Analytics, Academy Data Center Technician, and Academy Data Engineering.
- Start Date:** (Empty field)
- End Date:** Must be within 1 year of S (truncated)
- Time Zone:** (Empty field)
- Language:** (Empty field)
- Delivery Modality:** (Empty field)

Below the form, there is a section for the **Acceptable Use Policy**, which states: "Your use of AWS Academy is governed by the AWS Acceptable Use Policy (the Policy). AWS Academy may audit its services for any violations of the Policy."

The image shows two screenshots of the Oracle Academy web application interface. The top screenshot displays the 'File Import Wizard' with a progress bar showing five steps: Choose File, Review, Apply Mappings, Apply Default Values, and Import Summary. Below the progress bar, there are input fields for 'Import Type', 'Import Id' (9437505), 'Imported By' (Santosh Vishwakarma), and 'Status' (All). A table below shows the import results for 'Learner_Channel_Bulk_Update_Report_test.csv' with 11 total records, 10 successful, and 1 warning.

Import Id	Import Type	Date	Status	Total	Success	Warnings	Errors	File Name	Imported By	Job
9437505	Bulk Student Updates (000)	13-Mar-23 12:34 IST	Processed	11	10	0	1	Learner_Channel_Bulk_Update_Report_test.csv	Santosh Vishwakarma	

The bottom screenshot shows the 'My Learners' section of the Oracle Academy interface. It features a 'Learning Navigator' on the left with a tree view of various course and lab folders. The main area displays details for a selected content object, including 'Content Objects: 1', 'Default Content Type', 'Certificate Display', and 'Created By' (Santosh Vishwakarma). A 'Targeting' table shows the relationship between 'Self' and 'Manipal University Jaipur' with a 'Created Date' of 24-May-20 22:31. The 'Permissions' section shows 'All' privileges for the target.

Condition	Target	Inherited From	Created By	Created Date
Self Enrollment	(78462441)	PRODUCTION / CURRENT / Institutions / APAC / India / Manipal University Jaipur (78462444)	API Admin Account	24-May-20 22:31

Yash Sharma

Yash Sharma

The screenshot displays the Oracle Academy web application interface. The top navigation bar includes 'Home', 'Curriculum', 'Upcoming Events', 'Career Center', 'My Learning', 'My Learners', and 'My Reports'. The user is logged in as Santosh Vishwakarma (Instructor).

Learning Navigator: A tree view on the left lists various courses and labs, including 'BTECH_CSE_4_C_420191937', 'CCE_IV_SEM_E_Jitendra Singh Yadav', and 'JAVALEARNERS_VIVEK_SHARMA'.

Permissions: A table showing user permissions for various system functions. The table has columns for Privilege, Target, Granted By, and Created Date.

Privilege	Target	Granted By	Created Date
Channel Management (Inherited From Channels)	Manipal University Jaipur - Teachers (78462442)	API Admin Account	24-May-20 22:31 IST
Channel Management (Inherited From Institutions)	Support (66327334)	Andy Sheer	29-Sep-22 21:51 IST
Channel Management - Enrol and Create Users (Inherited From Channels)	Manipal University Jaipur - Teachers (78462442)	API Admin Account	24-May-20 22:31 IST
Channel Management - Enrol and Create Users (Inherited From Institutions)	Support (66327334)	Tristan Rickar	06-Aug-20 20:35 IST
Completions Management (Inherited From APAC)	REGIONAL_DIRECTOR_AFIAC (89492643)	Quint De Visser	20-Feb-20 06:10 IST
Completions Management (Inherited From CURRENT)	CA_REST_SERVICES (845916302)	Scott Morris	08-Mar-23 04:39 IST

Enrollments: A list of courses available for enrollment, including 'JavaAPCSA Oracle Academy Java for AP Computer Science A Cumulative Semester 1 Exam - English' and 'JF Java Fundamentals Cumulative Final Exam - English'.

The screenshot displays the Oracle Academy website interface. The top navigation bar includes 'Home', 'Curriculum', 'Upcoming Events', 'Career Center', 'My Learning', 'My Learners', and 'My Reports'. The user is logged in as Santosh Vishwakarma, an instructor.

The main content area lists several courses with 'Enrol' buttons:

- JavaAPCSA Oracle Academy Java for AP Computer Science A Learner - English
- JF Java Fundamentals Cumulative Final Exam - English
- JF Java Fundamentals Instructor Resources - English
- JF Java Fundamentals Learner - English

A search modal titled 'Search for available Channels' is open, showing a search for 'test' with one result: 'test demo'.

On the right side of the screen, there is a video call window showing a participant named Yash Sharma.

The screenshot displays a Zoom meeting interface. The main content is a web browser showing the Oracle Academy website. The top section of the website features the Oracle Academy logo and navigation icons. Below the logo, there are two prominent green buttons: "Sign in to Member Hub" and "Sign in to Student Hub". The main heading reads "Institutions and teachers: Join Oracle Academy FREE". Below this, a paragraph states: "Oracle Academy provides you with a wide range of FREE teaching resources, including curriculum, classroom learning resources, software, cloud technology, practice environments, and much more." A "Join Now" button is visible in the bottom left of the website content. The browser's address bar shows the URL "https://academy.oracle.com/en/oa-web-overview.html".

The bottom section of the screenshot shows the "Oracle Academy Hub Sign In" page. It includes a "SIGN IN" button and a "Sign In Assistance" section with the following text: "Students are provided with accounts by their educators who are Oracle Academy Institutional members. If you are an Oracle Academy Institutional member educator, sign in here." The browser's address bar shows the URL "https://myacademy.oracle.com/ltm/xtf8/login/login?site=oa".

At the bottom of the Zoom window, the control bar is visible, showing options like "Unmute", "Start Video", "Participants", "Chat", "Share Screen", "Record", "Show Captions", "Reactions", "Apps", and a "Leave" button. A notification at the top of the Zoom window states "You are viewing SANTOSH VISHWAKARMA's screen".

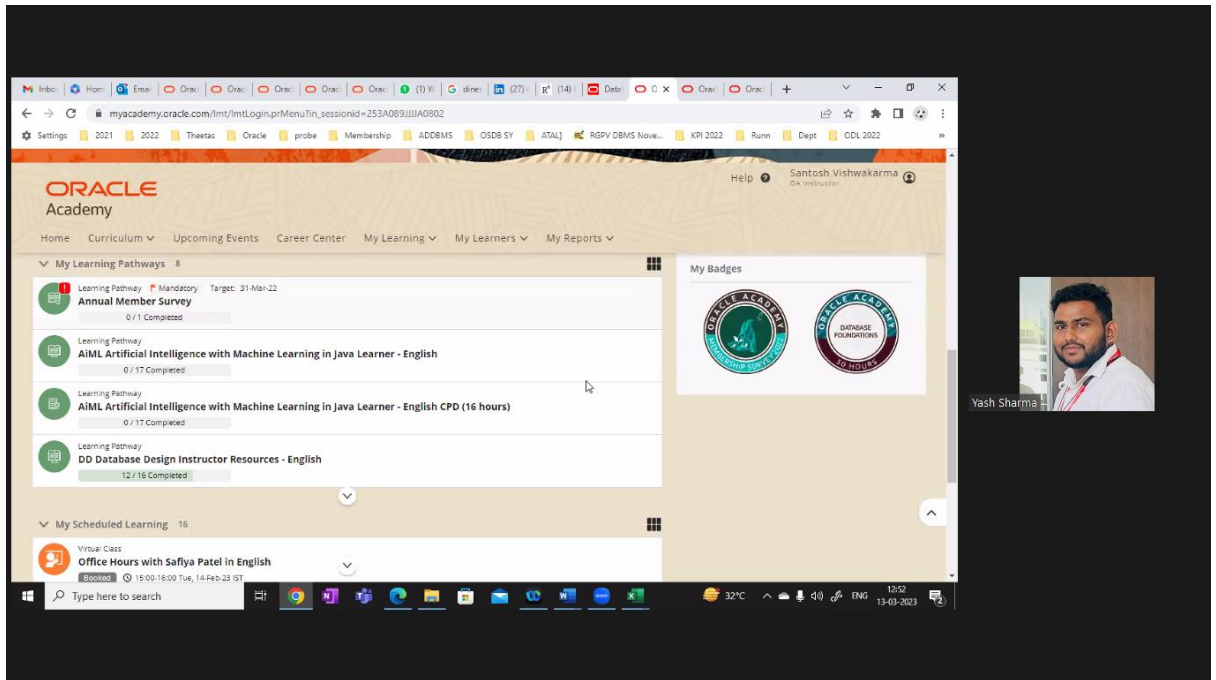

The screenshot displays a Zoom meeting interface. At the top, a green banner reads "You are viewing SANTOSH VISHWAKARMA's screen". The main content is a web browser window showing the Oracle Academy "Learner Assessment Report" configuration page. The page includes a navigation bar with "Home", "Curriculum", "Upcoming Events", "Career Center", "My Learning", "My Learners", and "My Reports". The "Reports" section is active, showing "Learner Assessment Report (64282)". The configuration fields are as follows:

- Report Format: HTML
- Learner: %
- Object ID: %
- Status: All
- Date From: %
- Date To: %
- User Status: Active

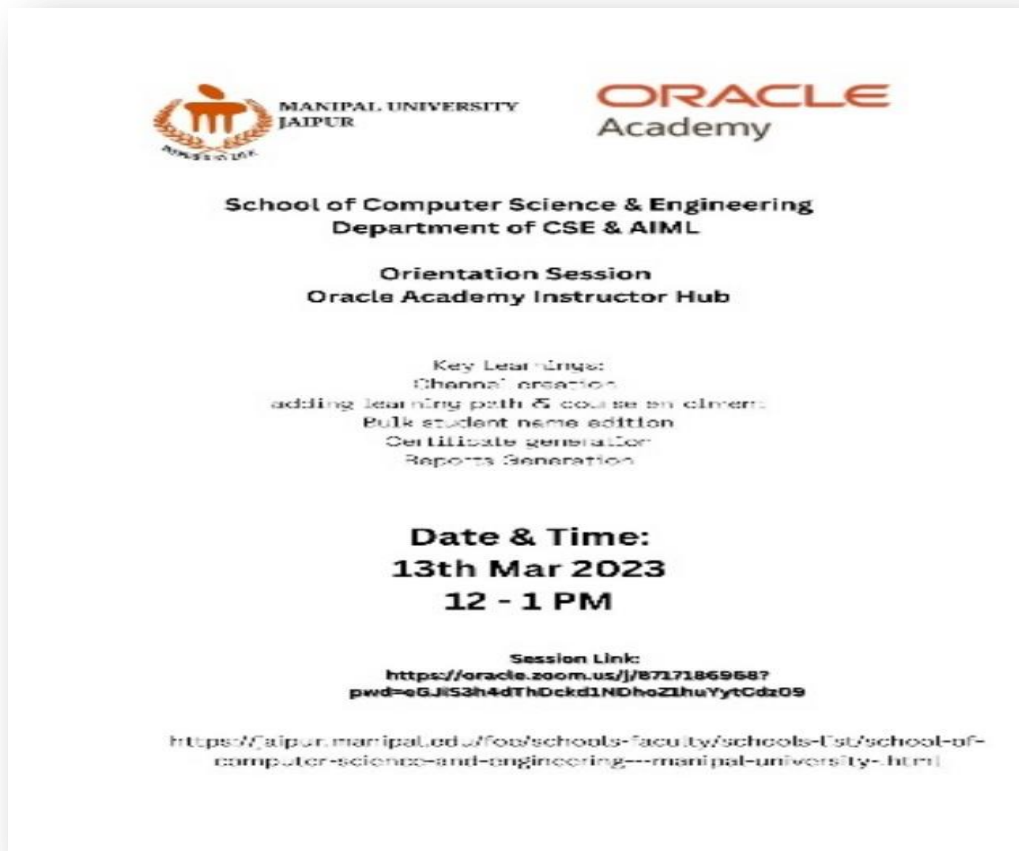

Below the configuration page, a second browser window shows the generated report for "13-Mar-23 12:46". The report details are:

- Date: 13-Mar-23 12:46
- File Name: Learner Assessment Report.xlsx (385.7 KB)
- Rows: 3066

The report parameters section is also visible. A participant named Yash Sharma is shown in a video thumbnail on the right side of the Zoom window. The Windows taskbar at the bottom shows the time as 12:47 on 13-03-2023.

7. Brochure or creative of the event

8. Schedule of the event (insert in the report)

Date: March 13,2023

Time: 12:00 Noon to 1:00 PM

Mode: Zoom (Online)

9. Attendance of the Event

10. Total attendee: 39
