Testimonials

Ansh US Gupta
Student

“Thrilled to share my experience with the Electrical & Computer branch at MUJ. From the very beginning, I was impressed by the innovative and forward-thinking approach of the faculty and the curriculum. The branch has recently introduced with new concepts and technologies that have kept us at the forefront of the industry.”

Naman Somani
Student

“I am currently pursuing a B.Tech in Electrical & Computer Engineering from MUJ. I am extremely grateful for the invaluable experience I have gained so far in this program. The faculty members have been extremely knowledgeable and supportive, always willing to go above and beyond to help students succeed. The hands-on learning experiences and practical applications of the concepts learned in the classroom have been instrumental in shaping my career path.”

Mohammad Arshan Khan
Student

“Electrical & Computer Engineering has given me so many amazing experiences that I would not have had at any other university. It has really redefined itself to create new interests for students, while focussing on fundamentals. For example, going into university I had no idea that would have an interest for some Engineering concepts and practices; however, it gives me the opportunity to explore those courses through the technology concentration.”

Vivek Singh
Student

“I am very glad to share my positive journey at 'EE@MUJ. Here the atmosphere is full of motivation and innovation. The faculty members are enthusiastic and always ready to help.”

Dhruv Verma
Student

“MUJ provides a conducive environment for growth, learning and inspires its students to incessantly strive for excellence in every field.”

Akshada Aggarwal
Student

“I relished hostel life with lots of masti, especially during the various events organized from day to day. Most of all I enjoyed the studies. Teachers are supportive and as friendly @EE.”
