3.	GAME- A3	PLAY

Team building games assist in developing an environment for effective communication and community building. They utilize mental abilities of the learner. Team-building games must be flexible enough and take into consideration the learner's who come from different backgrounds, have different mental levels, different potential, different patience rate and an amalgamation of other differences. Such games assist in employee motivation also

Collaborating agency: NCC

The National Cadet Corps (NCC) is the youth wing of the Indian Armed Forces with its headquarters in New Delhi, India. It is open to school and college students on voluntary basis as a Tri-Services Organization, comprising the Army, the Navy and the Air Wing, engaged in grooming the youth of the country into disciplined and patriotic citizens. The soldier youth foundation in India is a voluntary organization which recruits cadets from high schools, higher secondary, colleges and universities all over India. The Cadets are given basic military training in small arms and drill. The officers and cadets have no liability for active military service once they complete their course.
