## Brief Description of the event

The Department of Automobile Engineering at Manipal University Jaipur (MUJ) arranged a motorsport fest with the support of BND Motorsports, FMSCI, RPM-SAE MUJ Club and making it the only University in the entire country to do so for the sixth time on 30th April and 1st May 2022.

It was an action-packed two-day event where, racers from all over the country participated in the event. RPM-SAE MUJ team was on toes to welcome their very own Alumni of the Manipal University Jaipur as a founder and team of BND Motorsport back to their home ground after two- years covid break.

The event got off to a rousing start with the presence of dignitaries at the inaugural ceremonies including Dr. G K Prabhu (President MUJ), Dr. N N Sharma (Pro President MUJ), Dr Nitu Bhatnagar (Registrar MUJ), Lakshay Veer Dabas (CEO BND Motorsport), Mr. Utkarsh Jha (BND) Mr. Dharmesh Yadav (RPM-SAE MUJ Faculty Coordinator) and Dr. Rakesh Kumar (Event Faculty Coordinator). Countless vehicles passed through the red bull arch on their way to face the challenging circuit. The sound of engines revving and the stench of burning rubber filled the campus. While having a blast, students acquired first-hand event management experience under the guidance of BND motorsport and its crew. Students from MUJ eagerly offered their services as track marshals and in a variety of other management and hospitality roles.

The races were held in several different categories, including two-wheel drive and four-wheel drive. Drivers found the track challenging and fun to drive at the same time as they could push their exotic, stock and modified cars around a track.

The event was not only a competition for the participants, but also an opportunity for participants to push their cars to their limits and race in a safe environment.

The event was scheduled for two days i.e., 30<sup>th</sup> April and 1<sup>st</sup> May 2022

## **Day 1**

The event kicked off with track inaugural ceremony, which was addressed by Dr. G K Prabhu (President MUJ) and with his ride on the track with Mr. Lakshay Veer Dabas, followed by breakfast at the college old mess. The event kicked off at 12pm and rallyists were pumped to feel the dirt. Rallyists had their laps and were totally into their experience. Later, the whole working team for the event and all the participants were provided with lunch and then session again started. Laps were going on, in a loop and it continued till 6 in the evening. After all the laps were done, the event was on a halt for the next day.

## **Day 2**

Second day for the event kicked off bit early at around 11am, as everything was already set to conduct the rallyists on track. The event was fully charged up as many of the rallyists were aware about the track and its condition whereas the new racers were excited to make some noise and feel the dirt. The same proceeding was carried on for the whole day and we called it a day at 6pm in the event. Later, it was the time to announce the winners and get them awarded, so the Prize Distribution ceremony was conducted in Smt. Sharda Pai Auditorium and the proceedings continued till 8pm.

The 6th edition for collaboration of BND Motorsport and RPM-SAE MUJ was the huge success for both the organisations and was a benchmark post-covid event in the university.
