1. Introduction of the Event

The Department of Civil Engineering has organized the guest lecture on “OPPORTUNITIES ABOUND FOR CAREER DEVELOPMENT AND SERVICE TO THE NATION” October 19, by Industry Expert Mr. Arun Kumar, Head, Civil Engineering Division, Bureau of Indian Standards, HQ New Delhi.

2. Objective of the Event

The main objective we tried to meet through this event is mentioned below:

- Giving our UG and PG students an exposure to interest with industry personals.
- Gain knowledge from the industry expert for their core course entitled Concrete Technology
- To have an internship opportunity during their 4th year study.

3. Beneficiaries of the Event

The main beneficiaries of this event are our main stakeholder that is students from both UG and PG. Also, faculty members can keep a good contact with the resource person for any possible help in the future.

4. Details of the Guest

Name- Shri Arun Kumar

Designation- Head, Civil Engineering Division, Bureau of Indian Standards

LinkedIn Profile - <https://uk.linkedin.com/in/arunkumar-saravanan-05bb263a>

5. Brief Description of the event

The event was conducted for our UG and PG students to give them an exposure on how their course concrete technology is taking place in the practices and its importance. Also, this lecture refreshed some of their course topic like “Pumpable concrete, High Strength and High-performance Concrete, Self-Compacting Concrete, Light Weight Concrete, Recycled Aggregate Concrete, Geopolymer, Fiber Reinforced Concrete, waste utilization in concrete”. At the end the resource person answered to the queries raised by the audience.

The students understood the emerging topic “Opportunities Abound for Career Development and Service to The Nation” in the construction industry.

Discussion of students with expert after the session benefitted the students as they got aware about the recent career prospects in different domains of Civil Engineering.
