1. Introduction of the Event –

This event is the part of the Academia-Industry connect programme conducted by the department of Civil Engineering, MUJ. Under this programme we conduct lecture sessions by different industry experts who have a deep technical and entrepreneurship knowledge and experience. In this even our guest speaker was Mr Anirban Chatterjee, Co-Founder and COO, OneTo11. He has a vast entrepreneurship experience of over 8 years. His keen interest to upskill the young minds to be a good entrepreneur forced him to discuss and meet with university grads.

2. Objective of the Event

The main objective we tried to meet through this event is mentioned below:

- Giving our UG and PG students an exposure to interest with industry personals.
- Gain knowledge from the industry expert for their journey from an engineer to an entrepreneur.
- To have an internship opportunity during their under and post graduate programme.

3. Beneficiaries of the Event

The main beneficiaries of this event are our main stakeholder that is students from both UG and PG. Also, faculty members can keep a good contact with the resource person for any possible help in the future.

5. Brief Description of the event

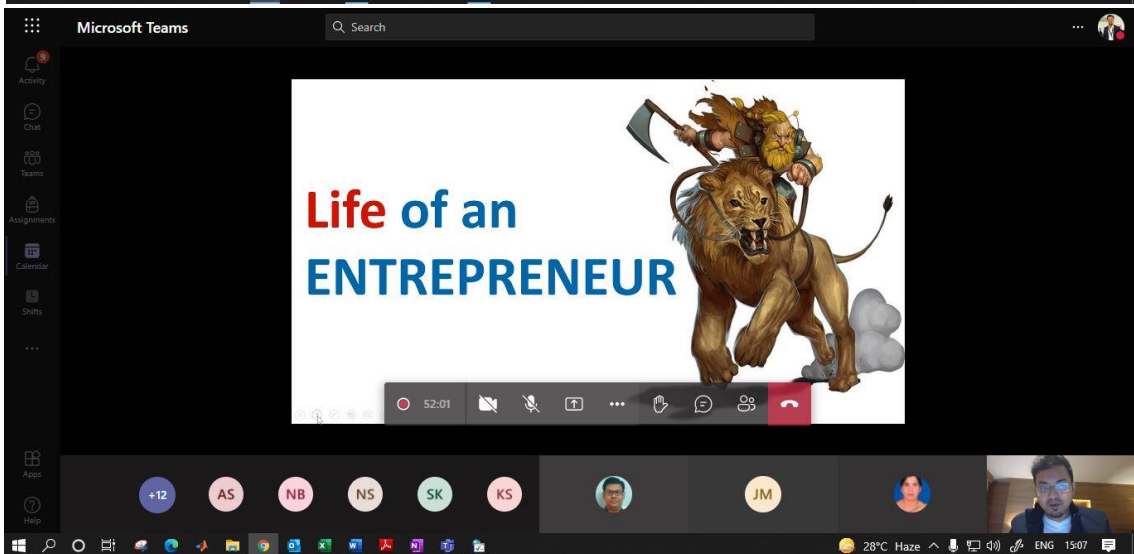

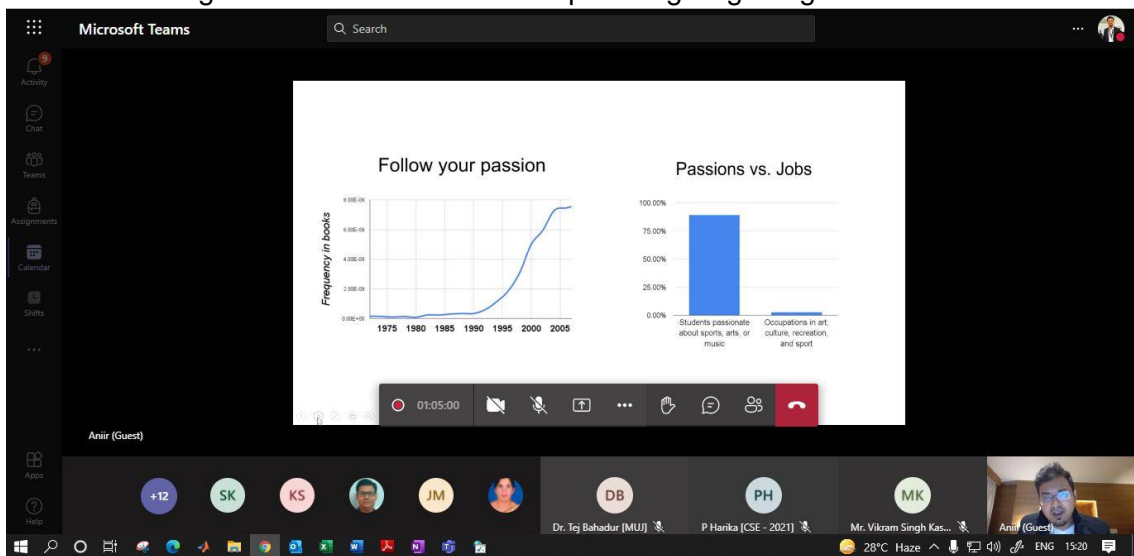

The event was conducted for our UG and PG students to give them an exposure on how to start their journey from an engineer to an entrepreneur. During this journey what should be their focus, what are the generic challenges they are supposed to face and how to overcome them. He shared his experience and working pattern when he started this journey and how he set up 4 startups which are well successful and the most recent one i.e., OneTo11 is a global venture.

Also, this lecture refreshed some of their broad areas of civil engineering like “Geotechnical Engineering, Concrete Technology, etc.” and how his technical knowledge and interest to learn new things very minute helped him achieved this height. At the end the resource person answered to the queries raised by the audience.
