

School of Business & Commerce
Under the Department of Business Administration Technical Chapter
Organized
Alumni Webinar on “Importance of Learning a Foreign Language”
(28th Jan. 2021, Thursday)

Alumni:

Dimple Hingoraney

Registration No: 170901192

Working as a French Tutor

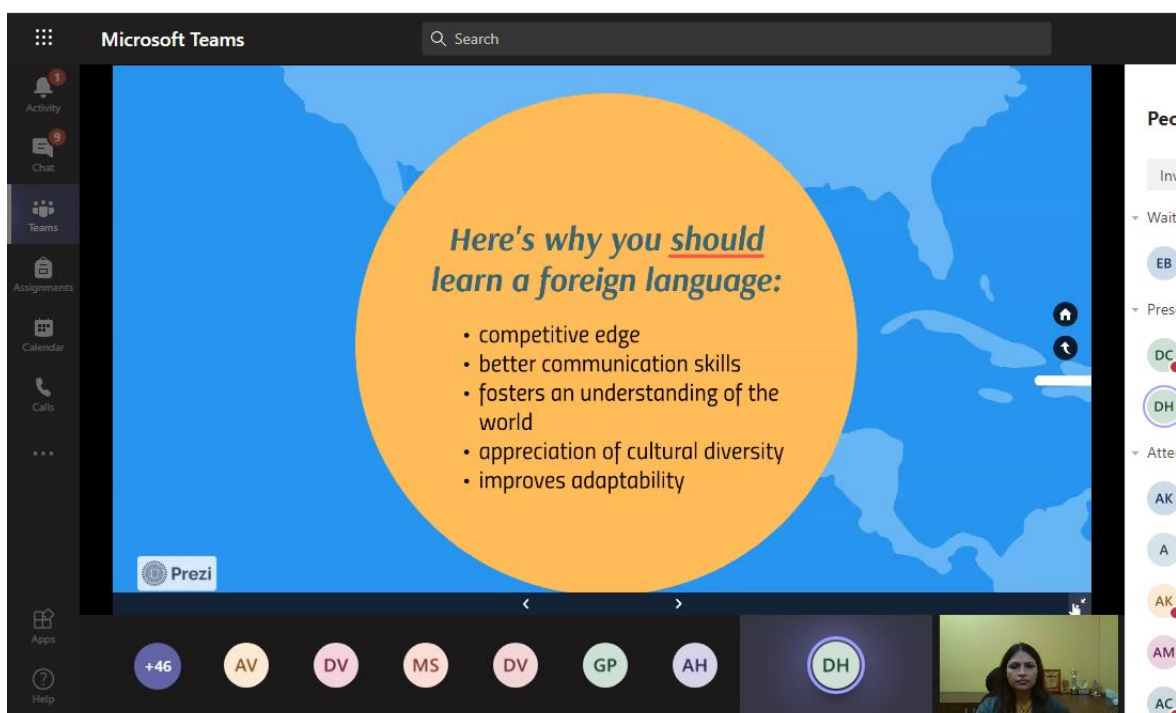

Departmental Coordinator:

Dr. Bhawna Chahar

(Associate Professor, Dept. of Business Administration)

REPORT

The session was based on the topic Importance of Learning a Foreign Language. This session brought to light the essence of knowing a foreign language in the current scenario and the various advantages that it serves to the individual. The speaker Dimple Hingoraney who herself is a French Tutor, very effectively shared her experiences and encouraged students to learn at least one foreign language in order to have an edge over the others. She also informed the various ways through which foreign language can be learned.

The importance of Learning a Foreign Language

~ Dimple Hingoraney

Central America
The most important reason for learning a foreign language is to be able to communicate with people from other countries. It is also a great way to learn about other cultures and traditions.

It's fun!
Learning a foreign language is a fun and challenging experience. It allows you to explore new cultures and traditions, and it can be a great way to improve your cognitive skills.

It's a skill that is in demand.
In today's globalized world, knowing a second language is a valuable skill that is in high demand. It can give you a competitive edge in the job market and open up new opportunities for career advancement.

It's a great way to travel.
Knowing a foreign language is a great way to travel and explore new cultures. It allows you to communicate with locals and immerse yourself in their way of life.

It's a great way to learn about other cultures.
Learning a foreign language is a great way to learn about other cultures and traditions. It allows you to understand the values and beliefs of other people and appreciate their differences.

It's a great way to improve your cognitive skills.
Learning a foreign language is a great way to improve your cognitive skills. It challenges your brain and helps to improve your memory, concentration, and problem-solving abilities.
