

A BRIEF REPORT ON GUEST LECTURE

Venue: MS- Teams

Date: 26th February 2021

Participants: 6th Semester students with Finance Specialisation

Topic: FINANCIAL PLANNING AND INVESTMENT OPPORTUNITIES

Speaker: Mr. Bharat Dadlani, Sundram Asset Management Company Limited

Organised By: Association of Business and Commerce

A guest lecture on **FINANCIAL PLANNING AND INVESTMENT OPPORTUNITIES** was conducted on 26 Feb. 21 for the sixth semester students having finance specialisation on online platform through MS-Teams. This event was coordinated by Dr. Birajit Mohanty and Mohammad Zeeshan Qadri. The invited speaker, Mr. Bharat Dadlani addressed the students by giving the brief about how to invest and utilize the funds. He brought up a presentation for the students for effective learning. He made students clear about the existing market scenarios with the help of pie charts and graphs so that students can start analysing the current and future market scenarios at least at a beginner level. He also taught the benefits of investing and saving. During the lecture, a video was shared by Chief Guest which has a moral that “Never Estimate the Power of Compounding” which means that if we systematically invest the small sum every month then that amount will grow in impressive sum and help in our hard times. Students enthusiastically participated in the seminar and asked questions to the Guest Speaker related to the Investments and SIP. At last, he concluded by saying Mutual Fund Investment are subject to market risk, read all scheme related documents carefully. This lecture was a direction for students to invest their money at right place at right time.
