**WORKSHOP**

**3<sup>rd</sup> August 2021 at 3:00 p.m.-5 p.m.**

Dr Birajit Mohanty

HoD, Business Administration

School of Business and Commerce, FoM&C, Manipal University Jaipur has organized one day hands on Workshop on “Managing Prowess IQ” on 03/08/2021 in collaboration with Center for Monitoring Indian Economy ( Pvt. Ltd.), Mumbai.

Mr. Sudarshan Negi, Business Relationship Manager at CMIE for the educational and research segment, has addressed the session. Mr. Negi has been actively involved in organizing, imparting training and resolving queries of research students and faculty members in the segment on CMIE's database services i.e. Prowess IQ, Economic Outlook, Industries Outlook, States of India, CapEx, First Source, etc.

While addressing the session, he emphasized the role of CMIE Prowess database in ensuring data availability for researchers. **CMIE** produces economic and business databases and develops specialized analytical tools to deliver these to its customers for decision making and for research. It analyses the data to decipher trends in the economy. CMIE has built India's largest database on the financial performance of individual companies; it conducts the largest survey to estimate household incomes, pattern of spending and savings; it runs a unique monitoring of new investment projects on hand, and it has created the largest integrated database of the Indian economy. While navigating the information search with the research scholars and faculty members Mr. Negi showed the database, which contains information on all listed companies and a larger set of unlisted companies. The database is built from the audited Annual Reports of companies and information submitted to the Ministry of Company Affairs; and in the case of listed companies, the database also includes company filings with stock exchanges and prices of securities listed on the major stock exchanges. He also informed that off-campus access is also provided in this pandemic situation so that they no need to go out for data searching. The workshop was useful for faculty members and research scholars .

**Introduction of the Event :** School of Business and Commerce, FoM&C, Manipal University Jaipur has organized one day hands on Workshop on “Managing Prowess IQ” on 03/08/2021 in collaboration with Center for Monitoring Indian Economy ( Pvt. Ltd.), Mumbai.

## FEEDBACK

Very good

Workshop was very informative

Need to organize such workshops frequently

Very useful for collection of data

Good experience
