1. Introduction of the Event

Investor Awareness Program (IAP) on 'Commodity Markets: Importance for Young Entrepreneurs' was organized by School of Business & Commerce-Department of Business Administration for students of the University and for young entrepreneurs on 29th November 2021 via online mode through Microsoft Teams. IAP aimed to help the target audience in the long run for getting insights about Commodity Markets. Commodities are most often used as inputs in the production of other goods or services. The expert of the areas was invited for conducting the session and to make students and entrepreneurs aware about the importance of Commodity Markets. Entrepreneurs are identifying and taking advantage of market imperfections.

2. Objective of the Event

A commodity is a basic good used in commerce that is interchangeable with other goods of the same type. Commodities are most often used as inputs in the production of other goods or services. The quality of a given commodity may differ slightly, but it is essentially uniform across producers.

3. Beneficiaries of the Event

The target audience are young entrepreneurs, students, and faculty members.

4. Details of the Guest

Dr. Ishu Tayal is presently working with NSDL-West as Senior Manager. Prior to that he was Regional Manager at BSE Ltd from 2011-2020. Dr. Ishu has expertise in generating new business and volumes in Equity, Mutual Fund, Commodity Derivatives, Equity Derivatives, Currency Derivatives and SLB Segment . Dr. Ishu has delivered more than 450 education seminars regarding capital markets education for Investors and students at various Universities and colleges which includes premium B schools like IIMs and IITs. He is also a regular speaker in seminars with SEBI (Securities and Exchange Board of India).

5. Brief Description of the event

The Investor Awareness Program is organized for the benefit of entrepreneurs, student, and faculty members. By attending this IAP students and entrepreneurs will be able to:

- Define commodities and their key features
- Identify the major commodity categories
- Discuss the drivers of the commodities in different categories
- Undertake commodity trading strategies using futures and options
- Explain commodity spreads and common spread trading strategies

The young entrepreneurs would be having various option available. If entrepreneur enters the market, hedging is very important. Raw material of the company is commodity, commodity needs to be hedged for price fluctuation. For some industrials raw material is one of the commodities which is affected with unprecedented price. Knowledge is very important if dealing with commodities even if you are directly or indirectly associated with markets, because

it is complex to understand. Students raised the query in relation to trading with stock market and commodity markets.
