## 1. Introduction of the Event:

Investments are basic for living a comfortable life as they provide a backup during contingencies and also support the income level by adding returns earned on investments. It is essential for a rational human being to start investing at an early age and develop a corpus of funds for the post retirement life. The workshop will help in understanding the investment avenues and what all factors are to be incorporated while deciding about corpus building.

## 2. Objective of the Event:

- To elaborate the concept of investment and how to initiate investing
- To highlight the significance of investments and the strategies for successful corpus building
- To understand the factors which impact investment decisions and the intricacy of each such factor

## 3. Beneficiaries of the Event:
