

School of Business and Commerce in association with Directorate of Student Welfare, NCC and NSS organised a Walk for protecting the Environment on 9/09/22. The event was organised to create awareness amongst students and citizens about environmental protection and evil effects of ecological imbalances. During the event students of School of Business and commerce along with NCC and NSS volunteers rallied from JKK to Rajasthan University main gate. The chief guest of the event was Group captain Neeraj Amba, 1Raj Air SQN NCC Jaipur. He motivated the students to involve in social initiatives and understand their responsibility towards the society. Various environment protection slogans and messages were displayed by the students during the rally.

The students also interacted with the experts during the event and understood the importance of environment protection and how we all can contribute towards this cause. Apart from the students, faculties of School of Business and Commerce and NCC officers were also present during the event.
