1. Introduction of the Event

Financial Markets are an important component of a country's financial system. It is the infrastructure that connects lender and borrowers. In simple terms, individuals who have surplus money invest in securities and entities which requires capital issues securities. The investors earn a return on the security while the entity gets capital for growing or expanding its business. The event is organized for the benefit of students and teachers for taking utmost care when it comes to invest the hard-earned money.

2. Objective of the Event

The aim of the event is to familiarize attendees with the happening of financial markets. The understanding of investment avenues is required for everyone for investment decision making. The event highlights the prominence of Primary and Secondary markets. The resource person emphasizes on the conceptual and fundamental part of primary and secondary market. The bifurcation of asset class was discussed for conceptually understanding the dimensions to have the benefit of having diversification.

3. Beneficiaries of the Event

The target audience is students and faculty members.

4. Details of the Guests

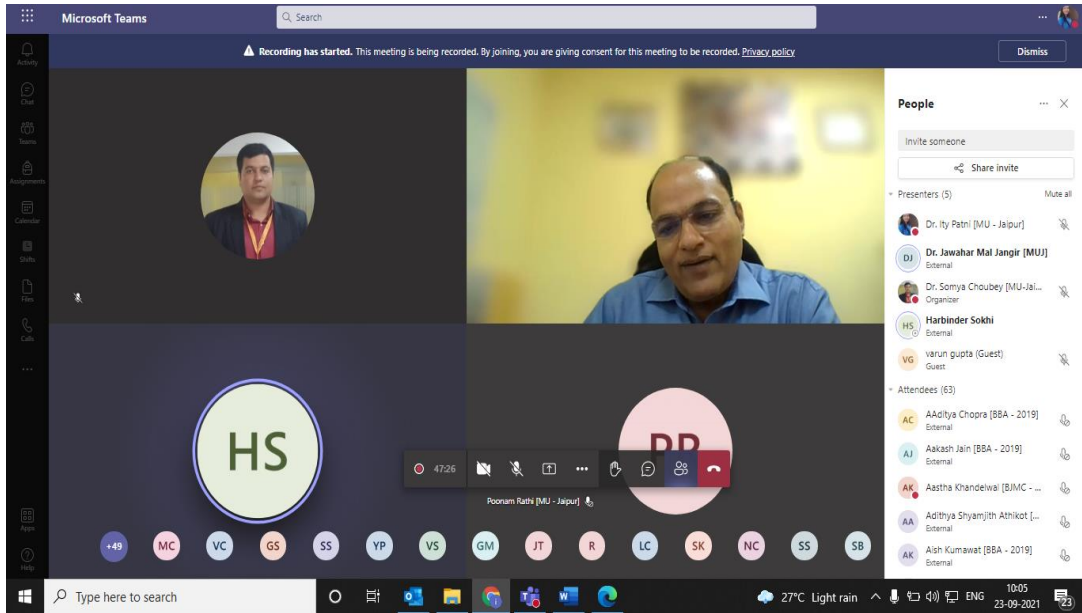

Mr. Varun Gupta, Senior Manager-BSE IPF.

5. Brief Description of the event

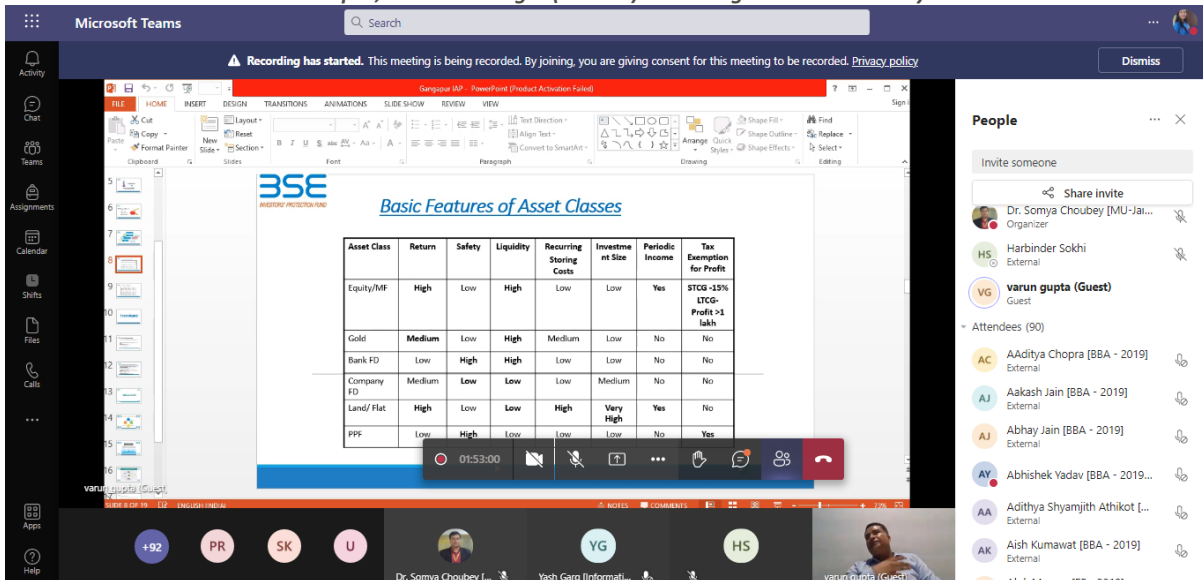

Expert Talks on 'Importance & Awareness of Financial Markets' are being organized by School of Business & Commerce and Atal Incubation Centre of Manipal University Jaipur in collaboration with BSE to spread awareness amongst students and faculty members about financial markets and investment opportunities. The first talk was on 'Primary Markets'. The understanding of the market is crucial for today's generation. The traditional asset class such as bank deposits are giving less amount of return. The Indian belief goes with gold and real estate. The developed countries are investing in market in such a huge number but in India still there is a lot of potential when we talk about investment in stock market, mutual funds, derivatives etc. The event is an effort to let students and faculty members aware of their financial planning which is very important to start at early age so that the retirement corpus should be decent. The compounding looks for time and early investment is required for the same. The event highlights the ways to invest in primary and secondary market which might broaden the mind of participants by getting the insights.
