1. Introduction of the Event

There are many reasons for road accidents but two of the main reasons are wrong side of the road and drunk driving. A report published by Statista Department shows that in India in the year 2019, 151 thousand fatalities recorded due to road accidents. Thus, it is the need of hour to save life and people must understand that life is very costly, and the due precautions must be taken care of.

2. Objective of the Event

The objective of the workshop was to broaden the dimensions for road safety measures. The purpose of workshop is to extend the awareness for road safety measures, making audience understand about signs and symbols used on the road and to understand the traffic management.

3. Beneficiaries of the Event

The target audience is students of School of Business & Commerce both of Department of Business Administration and Department of Commerce.

4. Details of the Guest

Presently, he is also associated with Sukhadia University, Udaipur, NIFT, Jodhpur, Export Promotion Council for Handicrafts as international Business expert.

5. Brief Description of the event

The workshop was organized for the benefit of students as road safety is the issue that affects every household. The economic loss due to road accidents is also very huge. Awareness amongst public specially for young adults it is utmost required. The safety measures must be adopted by every individual who is on road as it costs the life of person. We cannot calculate the road accidents daily, it is only because of lack of rules followed on road, these types of casualties happened. The workshop was organized with an aim to give this issue a thought and to drive safe for avoiding the risk of injury on road.
