1. Introduction of the Event

Financial Markets are an important component of a country's financial system. It is the infrastructure that connects lender and borrowers. In simple terms, individuals who have surplus money invest in securities and entities which requires capital issues securities. The investors earn a return on the security while the entity gets capital for growing or expanding its business. The event is organized for the benefit of students and teachers for taking utmost care when it comes to invest the hard-earned money. The type of investment avenue which is Mutual Fund is discussed. As a pool of resources, the large volume of mutual funds allows for active participation in the financial market, improving inclusion and efficiency of the market.

2. Objective of the Event

A mutual fund is a medium to pool the collective investments and maintain a portfolio under various schemes collectively on behalf of the investors. The aim of the event is to make students aware about the history, functioning, types of funds, types of investors and ways to invest in mutual funds.

3. Beneficiaries of the Event

The target audience is students of School of Business & Commerce both of Department of Business Administration and Department of Commerce.
