Workshop on Kickstarting your Investment Journey

10.11.21

**Head
Department of Commerce
Manipal University Jaipur**

1. Introduction of the Event:

Investments are basic for living a comfortable life as they provide a backup during contingencies and also support the income level by adding returns earned on investments. It is essential for a rational human being to start investing at an early age and develop a corpus of funds for the post retirement life. The workshop will help in understanding the investment avenues and what all factors are to be incorporated while deciding about corpus building.

2. Objective of the Event:

1. To elaborate the concept of investment and how to initiate investing
2. To highlight the significance of investments and the strategies for successful corpus building
3. To understand the factors which impact investment decisions and the intricacy of each such factor
