A report on

Expert Session on

"Managing Prowess IQ"

23rd June 2022

Introduction of the Event

Data Plays a very important role in teaching and research. Availability of clean data and that too, in such a form, which can answer our many a query makes the concepts clear to the student and we may use these data to teach many calculations. The availability of data in a presentable form also makes things very clear.

In our research work also, we need different type of data comprising various companies. If we get the recent, authentic data, it makes our work easy and analysis data and making inferences becomes easy. Given the situation, learn to manage Prowess IQ database, is very useful as CMIE is the field to since last many decades and provide various types of recent, authentic data to work with.

Objective of the Event

The basic objective of this session is to learn how to manage Prowess IQ database, so that we can efficiently use the database fore the benefit of our research.

Beneficiaries of the Event

Faculty members and research scholars of School of Business & Commerce, Manipal University Jaipur.

Detail of the Resource Person

Resource Person: Mr. Rajiv Ranjan

AVP, CMIE

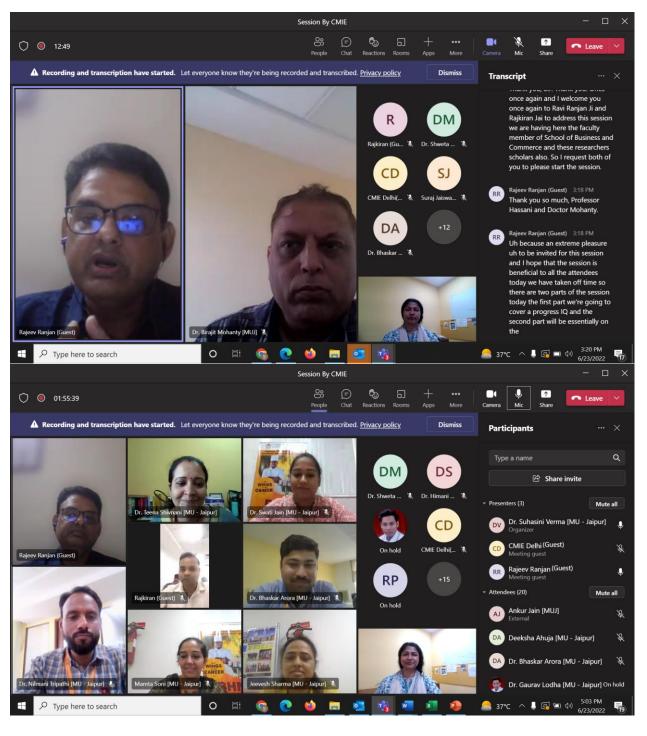

Brief Description of the Event-

Agenda Items:

- What is Prowess IQ database?
- What kind of queries can be generated?
- What are various uses of this database?

Feedback of the Event:

session is very knowledgeable

This session is very useful and well explained by the resource person

Excellent and very useful workshop

Excellent

Good

Excellent

Good workshop

It was a nice informative workshop.

Satisfactory workshop.

informative workshop

excellent workshop
