1. Introduction of the Industry Visit

Industrial visits are usually the first point of interaction between a student and a live working industry. The students will learn about the latest technology trend and make up their minds about their future job or area of interest. School of Business & Commerce has planned industry visit to Rofil industry on 28th June 2022.

2. Objective of the Visit

The aim of this visit to bridge the gap between the industry and academic. During this visit students learnt the production process of dairy product and their packaging.

3. Beneficiaries of the Visit

This visit was organized for B. Com and BBA students' batch 2021 - 2024 to make them aware about real time industry working environment.

4. Details of the Industry

Switzerland-based Scientist Dr. Rajendra Kumar Joshi and his wife Mrs. Ursula Joshi (RUJ Group) have set up their dream project by establishing a dairy processing unit in Mahindra World City, Jaipur on 24th Oct 2018. This unit provides high-quality products matching international standards and further participate in global value chain.

5. Brief Description of the visit

Present Education knowledge must include theoretical as well as practical knowledge of all domains. Keeping this in our mind, School of Business and Commerce has organized an industry visit at Rofil industry.

Rajendra & Ursula Joshi Food Industries Pvt. Limited (Rofil) is a dairy processing plant which is at present producing top quality milk, curd and buttermilk. It later plans to diversify in yogurts, ice cream and other dairy products.

The objective of the event was to acquaint the students about the practical experience of production process and to create awareness among the students about the various product of Rofil. 45 students have visited this Industry.

At the end of industry visit, Vote of thanks was expressed by Mr. Krish Meena, B.com sem II. The entire event was smoothly conducted by Dr. Tina Shivnani and Dr. Suhasini Verma.
