## **5. Brief Description of the Event**

**It is a non-contact, self-refereed team sport played with a flying disc frisbee. In this game - Two teams of seven players compete on a playing field about the same length as a football field, but narrower. The disc may never be handed from player to player. For the disc to go from one player to another, it must at some time be in the air. No player may walk, run, or take steps in possession of the disc.**

**A game of Ultimate Frisbee lasts 40 minutes of playing time divided into 20 - minutes halves. Half-time lasts for five minutes. The clock starts after every throw-off when the receiving team touches the Frisbee. Ultimate Frisbee is played on a field like a rugby pitch, with an ‘endzone’ at each end.**

**Teammates throw the Frisbee to each other, working their way up the pitch. A point is scored when someone catches the Frisbee while in their end zone. You cannot run while you have the Frisbee, and you**

have 10 seconds to throw it. If the other team intercepts the Frisbee or forces you to throw it into the ground or out of bounds, that's a "turn over" and that team will then get the Frisbee to try and score. In Ultimate Frisbee, there are no referees required and it's a noncontact sport. There is an emphasis on fair play and treating all players with respect. This is called the Spirit of the game.

The object of the game is to score goals. A goal is scored when a player catches a legal pass in the end zone that player is attacking. A player may not run while holding the disc. The field is a rectangular area with dimensions of 37 meters width and 110 meters length in total.

We can play 3 games of 25 minutes each which means 4 teams and each team can have 12 people each as 7 on the line and others as substitute and whosoever wins among each other will reach to final and it can be easily summed up in 2 hours. We would need at least 1 or 2 good quality frisbee discs for better performance or better play in the game. 4 people to make proper ground with white dust. Some budget friendly energy drinks would be required for everyone at the end, like Appy, Maza or Frooti. It would be an entertaining and thrilling experience for all.
