

E-cell MUJ and AIC MUJ Event Report

S.no.	Particular	Remark
1.	Name of the Event:	E-cell MUJ and AIC MUJ organised a sustainability-focused ideation event – "Junkathon"
2.	Event Theme:	Junkathon is a sustainability-focused Ideation where participants create innovative solutions using discarded materials to reduce waste's negative impact on the environment.
3.	Description of the Event	The E-cell team organised Junkathon which was an ideathon event on the university campus where participants gathered to generate innovative ideas and solutions to a specific problem and challenge in perspective of waste management. The brightest minds from throughout the university come together for our exclusive event to work on a single problem statement that they could choose from a range of industries, such as plastics, clothing, electronics, and other recyclables. The event involved brainstorming sessions, team building activities, and presentations to a panel of judges.
4.	Start Date	23 March 2023
5.	End Date	23 March 2023
