

MANIPAL UNIVERSITY JAIPUR

School of Automobile, Mechanical and Mechatronics Engineering

Department of Automobile Engineering

Venue: Online (dare2compete.com)

Date: 26th June 2021

Department of Automobile Engineering and RPM SAE MUJ student club has successfully organized a national level online “**Automotive Quiz**” on Dare-2-Compete platform on 26th June 2021. The quiz was designed by **Dr. Ashish Malik** and targeted for Class-XII students with basic knowledge about automobiles and passion for cars, though it was open for school as well as UG students. The objective of the event was to identify potential candidates for admission in Automobile Engineering branch and at the same time improve MUJ brand visibility.

D2C is a one-stop-shop to meet the needs of students during their academic journey. It helps students ignite the spirit of competitiveness by providing them a platform to showcase their talent and skills through quizzes, hackathons, problem-solving challenges and student conferences. D2C has enabled new dimensions of branding on campuses and competition-led-recruitment of future leaders.

This quiz helped the students to get a refreshing break in pandemic times and a brain tester. Top 10 students were rewarded with a certificate from Manipal University Jaipur and SAE RPM club. The online quiz event was successful with total 204 participants with 52 students from MUJ and 152 were Non-MUJ students. We received nearly 20,000 views on D2C portal.
